MANAGEMENT INFORMATION CIRCULAR

FOR THE ANNUAL GENERAL AND SPECIAL MEETING OF THE HOLDERS OF COMMON SHARES OF PETROTAL CORP. TO BE HELD ON SEPTEMBER 9, 2020

Dated: JULY 29, 2020

PURPOSE OF SOLICITATION

This management information circular (the “Information Circular”) is furnished in connection with the solicitation of proxies by or on behalf of the management of PetroTal Corp. (the “Corporation”) for use at the annual general and special meeting of the holders (the “Shareholders”) of the common shares (the “Common Shares”) in the capital of the Corporation to be held solely by means of remote communication via webcast at <http://www.gowebcasting.com/10771> or by telephone at Canada/USA Toll Free: 1-800-319-4610 International Toll: +1-604-638-534 on September 9, 2020 at 10:00 a.m. (Calgary time), and any adjournment or adjournments thereof (the “Meeting”) for the purposes set forth in the Notice of Annual General and Special Meeting (the “Notice of Meeting”) accompanying this Information Circular.

The Corporation has decided to host the Meeting solely by means of remote communication in light of the coronavirus (COVID-19) pandemic. The Corporation reserves the right to take any additional precautionary measures it deems appropriate in relation to the Meeting in response to further developments relating to COVID-19. Changes to the Meeting date and/or means of holding the Meeting may be announced by way of press release. Shareholders are encouraged to monitor the Corporation’s website at <https://petrotal-corp.com/> or the Corporation’s SEDAR profile at <http://www.sedar.com>, where copies of such press releases, if any, will be posted. The Corporation does not intend to prepare an amended Information Circular in the event of changes to the Meeting format. **All Shareholders are strongly encouraged to vote prior to the Meeting by any of the means described under the heading “Proxy Information – Completion of Proxies” below, as in-person voting at the time of the Meeting will not be possible.**

RECORD DATE

The Shareholders of record on July 24, 2020 (the “Record Date”) are entitled to notice of, and to attend and vote at, the Meeting except to the extent that:

1. such person transfers his or her Common Shares after the Record Date; and
2. the transferee of those Common Shares produces properly endorsed share certificates or otherwise establishes his or her ownership to the Common Shares and makes a demand to the registrar and transfer agent of the Corporation, not later than 10 days before the Meeting, that his or her name be included on the shareholders’ list for the Meeting.

Any registered Shareholder of the Corporation (a “Registered Shareholder”) at the close of business on the Record Date who completes and delivers a proxy will be entitled to have his or her Common Shares voted at the Meeting. However, a person appointed under a form of proxy will be entitled to vote the Common Shares represented by that form only if it is effectively delivered in the manner set out under the heading “Proxy Information - Completion of Proxies”.

PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies is made on behalf of the management of the Corporation. The costs incurred in the preparation of the enclosed form of proxy (the “**Form of Proxy**”), Notice of Meeting and this Information Circular and costs incurred in the solicitation of proxies will be borne by the Corporation. Solicitation of proxies will be primarily by mail, but may also be in person, by telephone or by electronic means.

Completion of Proxies

The Form of Proxy affords Shareholders or intermediaries an opportunity to specify that the Common Shares registered in their name shall be voted for or against or withheld from voting in respect of certain matters as specified in the accompanying Notice of Meeting.

The persons named in the enclosed Form of Proxy are Manuel Pablo Zúñiga-Pflücker, the President and Chief Executive Officer of the Corporation, and Douglas C. Urch, the Executive Vice President and Chief Financial Officer of the Corporation.

A REGISTERED SHAREHOLDER OR AN INTERMEDIARY HOLDING COMMON SHARES ON BEHALF OF AN UNREGISTERED SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON, WHO NEED NOT BE A SHAREHOLDER, TO ATTEND AND ACT ON THEIR BEHALF AT THE MEETING, IN THE PLACE OF THE PERSONS DESIGNATED IN THE FORM OF PROXY FURNISHED BY THE CORPORATION. TO EXERCISE THIS RIGHT, THE SHAREHOLDER OR INTERMEDIARY SHOULD STRIKE OUT THE NAMES OF THE PERSONS NAMED IN THE FORM OF PROXY AND INSERT THE NAME OF THEIR NOMINEE IN THE BLANK SPACE PROVIDED, OR SUBMIT ANOTHER APPROPRIATE PROXY.

A proxy must be dated and signed by the Registered Shareholder or by his or her attorney authorized in writing or by the intermediary. In the case of a Shareholder that is a corporation, the proxy must be executed under its corporate seal or signed by a duly authorized officer or attorney for the corporation with proof of authority accompanying the proxy.

In order to be effective, the proxy, together with the power of attorney or other authority, if any, under which it was signed or a notarial certified copy thereof, must be mailed or completed online at www.investorvote.com so as to be deposited at the office of the Corporation’s agent, Computershare Trust Company of Canada, 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, not later than 10:00 a.m. (Calgary time) on the second last business day preceding the day of the Meeting or any adjournment thereof or deposited with the Chair of the Meeting by email at durch@petrotal-corp.com on the day of the Meeting prior to the commencement of the Meeting. No instrument appointing a proxy shall be valid after the expiration of 12 months from the date of its execution. If a proxy is not dated, it will be deemed to bear the date on which it was mailed by management of the Corporation.

Appointment and Revocation of Proxies

A Registered Shareholder or intermediary who has submitted a proxy may revoke it by instrument in writing executed by the Registered Shareholder or intermediary or his or her attorney authorized in writing, or, if the Registered Shareholder is a corporation, under its corporate seal and executed by a director, officer or attorney thereof duly authorized, and deposited either: (a) with the Corporation at its offices or at the office of the Corporation’s agent, Computershare Trust Company of Canada, at any time prior to 10:00 a.m. (Calgary time) on the second last business day preceding the day of the Meeting, or any adjournment thereof, at which the proxy is to be used; or (b) with the Chair of the Meeting prior to the commencement of the Meeting on the day of the Meeting, and upon such deposit the previous proxy is revoked.

Exercise of Discretion by Proxies

A Registered Shareholder or intermediary may indicate the manner in which the persons named in the enclosed Form of Proxy are to vote with respect to any matter by checking the appropriate space. On any poll, those persons will vote or withhold from voting the Common Shares in respect of which they are appointed in accordance with the directions, if any, given in the Form of Proxy. If the Shareholder or intermediary wishes to confer a discretionary authority with respect to any matter, the space should be left blank. **IN SUCH INSTANCE, THE PERSONS NAMED IN THE ENCLOSED FORM OF PROXY INTEND TO VOTE THE COMMON SHARES REPRESENTED BY THE PROXY IN FAVOUR OF THE MOTION.**

The enclosed Form of Proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting. At the time of printing of this Information Circular, management of the Corporation knows of no such amendment, variation or other matter. However, if any other matters which are not now known to management should properly come before the Meeting, the proxies in favour of management nominees will be voted on such matters in accordance with the best judgment of the management nominees.

Notice-and-Access

The Corporation has elected to use the “notice-and-access” provisions under National Instrument 54-101 – *Communications with Beneficial Owners of Securities of a Reporting Issuer* (the “**Notice-and-Access Provisions**”) for the Meeting. The Notice-and-Access Provisions are a set of rules developed by the Canadian Securities Administrators that reduce the volume of materials which are mailed to shareholders by allowing a reporting issuer to post an information circular in respect of a meeting of its shareholders and related materials online.

The Corporation will use procedures known as “stratification” in relation to its use of the Notice-and-Access Provisions, meaning that Registered Shareholders will receive a paper copy of the Information Circular and other relevant information whereas Shareholders who do not own Common Shares in their own name (“**Beneficial Shareholders**”) will be mailed a notification of availability of Meeting materials directing them to those websites where they can access the Information Circular and other relevant information (the “**Notice-and-Access Notification**”).

The Corporation anticipates that notice-and-access will directly benefit the Corporation through substantial reductions in postage and printing costs. The Corporation believes that notice-and-access is also environmentally responsible to the extent that it decreases the large volume of paper documents generated by printing proxy-related materials.

The Corporation will be delivering the Notice-and-Access Notification to non-objecting Beneficial Shareholders directly with the assistance of Broadridge Financial Solutions, Inc. (“**Broadridge**”). Management does not intend to pay for intermediaries to forward the Notice-and-Access Notification to Beneficial Shareholders who have objected to their intermediary/broker disclosing ownership information about them pursuant to applicable securities laws (“**Objecting Beneficial Shareholders**”). Consequently, an Objecting Beneficial Shareholder will not receive the Notice-and-Access Notification unless the Objecting Beneficial Shareholder’s intermediary/broker assumes the cost of delivery.

Shareholders with questions about notice-and-access can call Broadridge Financial Solutions, Inc. toll free at 1-855-887-2244 .

In order to receive a paper copy of this Information Circular and other relevant information, requests by Beneficial Shareholders may be made up to one year from the date the Information Circular was filed on System for Electronic Document Analysis and Retrieval (“**SEDAR**”) by: (i) mailing a request to the Corporation at Suite 500, 11451 Katy Freeway, Houston, Texas 77079; (ii) calling Broadridge Financial Solutions, Inc. toll free at 1-877-907-7643; (iii) online at the Corporation’s website: www.petrotal-corp.com. The Corporation estimates that a Shareholder’s request for paper copies of the Information Circular and other relevant information will need to be received prior to August 24, 2020 in order for such Shareholder

to have sufficient time to receive and review the materials requested and return the completed Form of Proxy by the due date set out under the heading “*Completion of Proxies*” in this Information Circular.

Advice to Beneficial Holders of Securities

The information set forth in this section is of significant importance to Beneficial Shareholders. Beneficial Shareholders should note that only proxies deposited by Shareholders whose names appear on the records of the Corporation as the registered holders of Common Shares can be recognized and acted upon at the Meeting. If Common Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Common Shares will not be registered in the Shareholder’s name on the records of the Corporation. Such Common Shares will more likely be registered under the name of the Shareholder’s broker or an agent of that broker. In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which acts as nominee for many Canadian brokerage firms). Common Shares held by brokers or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting shares for their clients. Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their Common Shares are communicated to the appropriate individuals.

Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of securityholders meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of that broker) is typically similar to the Form of Proxy provided to Registered Shareholders by the Corporation. However, the purpose of the broker’s form of proxy is limited to instructing the Registered Shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. Broadridge typically asks Beneficial Shareholders to return voting instruction forms to Broadridge. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting voting of Common Shares to be represented at the Meeting. **A Beneficial Shareholder receiving a Broadridge voting instruction form cannot use that voting instruction form to vote Common Shares directly at the Meeting. The Broadridge voting instruction form must be returned to Broadridge well in advance of the Meeting in order to have the Common Shares voted.**

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of the Beneficial Shareholder’s broker (or agent of the broker), a Beneficial Shareholder may attend the Meeting as proxyholder for the Registered Shareholder and vote such Common Shares in that capacity. Beneficial Shareholders who wish to attend at the Meeting and indirectly vote their Common Shares as proxyholder for the Registered Shareholder should enter their own names in the blank space on the instrument of proxy provided to them and return the same to their broker (or the broker’s agent) in accordance with the instructions provided by such broker (or agent) well in advance of the Meeting.

If you have any questions respecting the voting of Common Shares held through an intermediary, please contact that intermediary for assistance.

INFORMATION CONCERNING THE CORPORATION

The Corporation was incorporated pursuant to the provisions of the *Companies Act* (Alberta) on August 31, 1979 as “Peoples Oil Limited”. The Corporation was continued pursuant to articles of continuance under Section 261 of the *Business Corporations Act* (Alberta) (the “**ABCA**”) on July 8, 1982. The Corporation changed its name to “Sterling Resources Ltd.” on February 10, 1997.

On December 18, 2017, the Corporation completed a reverse take-over by way of a statutory plan of arrangement (the “**Arrangement**”) with PetroTal Ltd. (“**PetroTal**”) under the ABCA, pursuant to which, among other things, the Corporation: (a) acquired all of the issued and outstanding shares of PetroTal; (b)

amalgamated with PetroTal and continued as one corporation under the name “Sterling Resources Ltd.”; and (c) reconstituted the board of directors (the “**Board**”) and management team of the Corporation.

The Corporation changed its name to “PetroTal Corp.” on June 4, 2018. On October 25, 2018, the Corporation amended its articles in order to comply with the AIM Rules for Companies (as published by the London Stock Exchange plc and amended from time to time), such amendments being effective for as long as the Corporation has a class of shares admitted to trading on the AIM Market of the London Stock Exchange (“**AIM**”).

The Corporation is a reporting issuer in British Columbia, Alberta, Saskatchewan, Manitoba, Ontario, New Brunswick, Nova Scotia, Prince Edward Island and Newfoundland. The Common Shares are listed on the TSX Venture Exchange (the “**TSXV**”) under the trading symbol “TAL” and on AIM under the trading symbol “PTAL”.

VOTING OF COMMON SHARES AND PRINCIPAL HOLDERS THEREOF

The Corporation is authorized to issue an unlimited number of Common Shares without nominal or par value. As at the date hereof, there are 814,555,701 fully paid and non-assessable Common Shares issued and outstanding. The holders of the Common Shares are entitled to receive notice of all meetings of Shareholders and to attend and vote the Common Shares at all such meetings. Each Common Share carries with it the right to one vote.

The bylaws of the Corporation provide that if two persons holding not less than 10% of the issued Common Shares entitled to vote are present in person or are represented by proxy, a quorum for the purposes of conducting a shareholders meeting is constituted.

Any Registered Shareholder at the close of business on July 24, 2020, being the Record Date, who completes and delivers a proxy will be entitled to vote or have his or her Common Shares voted at the Meeting. However, a person appointed under a form of proxy will be entitled to vote the Common Shares represented by that form only if it is effectively delivered in the manner set out under the heading “*Completion of Proxies*”.

To the best of the knowledge of the directors and executive officers of the Corporation, as at the date hereof, the following persons or companies beneficially owned, directly or indirectly, or exercised control or direction over, voting securities of the Corporation carrying more than 10% of the voting rights attached to the Common Shares:

Name	Number of Common Shares Held	Percentage of Total Issued and Outstanding Common Shares
Gran Tierra Resources Limited <i>Calgary, Alberta</i>	246,100,000	30.2%
Meridian Capital International Fund <i>Hong Kong</i>	154,010,361	18.91%

MATTERS TO BE CONSIDERED AT THE MEETING

The Shareholders of the Corporation will be asked to consider and, if deemed appropriate:

- (a) by ordinary resolution, to consent to the Meeting being held virtually;
- (b) by ordinary resolution, to fix the Board at seven members;
- (c) by ordinary resolution, to elect the directors of the Corporation;

- (d) by ordinary resolution, to appoint auditors for the ensuing year and to authorize the directors of the Corporation to fix their remuneration;
- (e) by ordinary resolution, to ratify and approve the Corporation's stock option plan (the "**Stock Option Plan**") for the ensuing year;
- (f) by ordinary resolution, to ratify and approve the Corporation's amended performance and restricted share unit plan;
- (g) by ordinary resolution, to approve amendments to By-Law No. 1 of the Corporation to, among other things, permit meetings of Shareholders to be held by telephone or electronic means;
- (h) by special resolution, to approve a consolidation of the Common Shares on the basis of between four (4) and eight (8) pre-consolidation Common Shares for each one post-consolidation Common Share; and
- (i) to transact such other business as may properly come before the Meeting or any adjournments thereof.

Additional detail regarding each of the matters to be acted on at the Meeting is contained below.

HOLDING MEETING VIRTUALLY

In light of the rapidly evolving news and guidelines related to COVID-19, the Corporation has decided to host the Meeting solely by means of remote communication. The ABCA prescribes that, unless the by-laws of a corporation specifically permit shareholder meetings to be held by electronic means, telephone or other communication facilities that permit all persons participating in the meeting to hear or otherwise communicate with each other, the shareholders must consent to the holding of any meeting that is to be on a virtual basis.

As the Corporation's by-laws do not provide for the holding of a virtual meeting, the Shareholders will be asked to approve the following ordinary resolution at the Meeting:

"BE IT RESOLVED THAT this Meeting be held entirely by means of a telephonic, electronic or other communication facility that permits all participants to communicate adequately with each other during the Meeting."

In the absence of contrary instructions, the persons named in the accompanying Form of Proxy intend to vote the Common Shares represented thereby in favour of the approval of holding the Meeting by virtual means.

FIXING NUMBER OF DIRECTORS

At the Meeting, it is proposed that the number of directors to be elected to hold office until the next annual meeting or until their successors are elected or appointed, subject to the articles of the Corporation, be set at seven. **Unless otherwise directed, it is the intention of management to vote proxies in the accompanying form in favour of setting the number of directors to be elected at the Meeting at seven.**

ELECTION OF DIRECTORS

Action is to be taken at the Meeting with respect to the election of directors. The Shareholders will be asked to pass an ordinary resolution at the Meeting to elect, as directors, the nominees whose names are set forth in the table below. Voting for the election of nominees will be conducted on an individual, and not on a slate, basis. Each nominee elected will hold office until the next annual meeting of the Shareholders or until his successor is duly elected or appointed, unless his office is vacated earlier in accordance with the Corporation's bylaws.

The Board has adopted a majority voting policy (the “**Majority Voting Policy**”) pursuant to which, in an uncontested election of directors, a director who receives more “withhold” votes than “for” votes at the annual meeting of Shareholders will promptly tender his or her resignation to the Chair of the Board, to be effective upon acceptance by the Board. The Corporate Governance and Compensation Committee will consider the director’s offer to resign and make a recommendation to the Board whether to accept it. The Board will be expected to accept the resignation except in situations in which exceptional circumstances warrant the applicable director continuing to serve on the Board. Following the Board’s decision on the resignation, the Board will promptly disclose its decision whether to accept the director’s resignation offer including the reasons for rejecting the resignation offer, if applicable, by issuing a news release. Any director who tenders his or her resignation pursuant to the Majority Voting Policy may not participate in any portion of a meeting of the Board (or, if applicable, any committee of the Board, if he or she is a member of that committee) to consider the decision whether to accept his or her resignation.

Shareholders should note that, as a result of the Majority Voting Policy, a “withhold” vote is effectively the same as a vote against a director nominee in an uncontested election. A copy of the Majority Voting Policy is included in the amended management information circular of the Corporation dated May 9, 2013 (a copy of which is available under the Corporation’s profile on the SEDAR website at www.sedar.com).

Any Shareholder who wishes to nominate an additional director can do so by submitting to the Executive Vice President and Chief Financial Officer of the Corporation the information required by the advance notice provisions in the Corporation’s bylaws, including the nominees’ names, backgrounds, qualifications and experience. The advance notice provisions require that a Shareholder give the Corporation advance notice of any proposal to nominate directors for election to the Board. If a nomination is to be presented at an annual meeting of Shareholders, the notice must be given between 30 and 65 days in advance of the meeting; provided that if the annual meeting is to be held less than 50 days after the Corporation announces the meeting date, the notice must, in those circumstances, be given within 10 days of the meeting announcement. If a nomination is to be presented at a special meeting of Shareholders (that is not also an annual meeting) where one of the items of business is the election of directors, then the notice must be given within 15 days of the meeting announcement. No person nominated by a Shareholder will be eligible for election as a director of the Corporation unless nominated in accordance with the advance notice provisions. The Board may, in its sole discretion, waive any requirement of the advance notice provisions. A copy of the advance notice provisions is included in the amended management information circular of the Corporation dated May 9, 2013 (a copy of which is available under the Corporation’s profile on the SEDAR website at www.sedar.com).

The Corporation is required by applicable corporate legislation to have an Audit Committee comprised of members of the Board that are considered “financially literate” and a majority of which are considered “independent”, as such terms are defined in National Instrument 52-110 – *Audit Committees* (“**NI 52-110**”). The Corporation has also established: (a) a Corporate Governance and Compensation Committee; (b) a Reserves Committee; and (c) a Health, Safety, Environment and Corporate Social Responsibility Committee, each comprised of members of the Board. Please see the discussion under the heading “*Corporate Governance Practices*”. The present members of each committee of the Board are identified in the table below.

The following information relating to the nominees as directors is based partly on the records of the Corporation and partly on information received by the Corporation from the respective nominees, and sets forth the name and municipality of residence of the persons proposed to be nominated for election as directors, all other positions and offices within the Corporation now held by them, their principal occupations or employments, the periods during which they have served as directors of the Corporation and the number of Common Shares beneficially owned, directly or indirectly, or over which control or direction is exercised by each of them as at the date hereof.

None of the above proposed directors are, or within 10 years prior to the date of this Information Circular have been, a director, chief executive officer or chief financial officer of any company that was subject to a cease trade order, an order similar to a cease trade order or an order that denied the relevant issuer access to any exemption under securities legislation that was in effect for a period of more than 30 consecutive days, that was issued after the proposed director ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer.

In the absence of contrary instructions, the persons named in the accompanying Form of Proxy intend to vote the Common Shares represented thereby in favour of the election to the Board of those persons designated above as nominees for election as directors. The Board does not

contemplate that any of such nominees will be unable to serve as a director. However, if for any reason any of the proposed nominees do not stand for election or are unable to serve as such, proxies in favour of management designees will be voted for another nominee in their discretion, unless the Shareholder has specified in his proxy that his Common Shares are to be withheld from voting on the election of directors.

APPOINTMENT OF AUDITORS

The Shareholders will be asked to pass an ordinary resolution at the Meeting to appoint Deloitte LLP as auditors of the Corporation, to hold office until the next annual meeting of the Shareholders, at such remuneration to be determined by the Board. Deloitte LLP was first appointed as the Corporation's auditors on January 22, 2018.

In the absence of contrary instructions, the persons named in the accompanying Form of Proxy intend to vote the Common Shares represented thereby in favour of the appointment of Deloitte Canada as auditors of the Corporation and to authorize the Board to fix the remuneration to be paid to the auditors.

ANNUAL APPROVAL OF STOCK OPTION PLAN

At the Meeting, Shareholders will be asked to approve an ordinary resolution to ratify and approve the Stock Option Plan, a copy of which is attached as Schedule A to the management information circular of the Corporation dated April 30, 2018 (a copy of which is available under the Corporation's profile on the SEDAR website at www.sedar.com), for the ensuing year. A summary of the terms of the Stock Option Plan is included under the heading "*Executive Compensation – Stock Option Plan*" in this Information Circular.

The TSXV requires all listed companies with 10% "rolling" security-based compensation plans to obtain annual shareholder approval of such plans. The Stock Option Plan is a "rolling" plan. The Board believes that the passing of the following resolution is in the best interests of the Corporation and recommends that Shareholders vote in favour of the resolution.

At the Meeting, the Shareholders will be asked to approve the following ordinary resolution:

"BE IT RESOLVED THAT:

1. the stock option plan (the "**Stock Option Plan**"), substantially in the form attached as Schedule A to the management information circular of the Corporation dated April 30, 2018, be and is hereby ratified and approved as the stock option plan of the Corporation;
2. the form of Stock Option Plan may be amended in order to satisfy the requirements or requests of any regulatory authorities without requiring further approval of the shareholders of the Corporation; and
3. any one director or officer of the Corporation be and the same is hereby authorized and directed for and in the name of and on behalf of the Corporation to execute or cause to be executed, whether under corporate seal of the Corporation or otherwise, and to deliver or cause to be delivered all such documents, and to do or cause to be done all such acts and things, as in the opinion of such director or officer may be necessary or desirable in order to carry out the terms of this resolution, such determination to be conclusively evidenced by the execution and delivery of such documents or the doing of any such act or thing."

In the absence of contrary instructions, the persons named in the accompanying Form of Proxy intend to vote the Common Shares represented thereby in favour of the approval of the Stock Option Plan.

APPROVAL OF AMENDED PERFORMANCE AND RESTRICTED SHARE UNIT PLAN

On October 31, 2019, the Board approved certain amendments to the Corporation's performance and restricted share unit plan (the "**PRSU Plan**") resulting in the amended performance and restricted share unit plan (the "**Amended PRSU Plan**"). A summary of the material differences between the Amended PRSU Plan and the original PRSU Plan is set forth below. Additional details about the Amended PRSU Plan and the original PRSU Plan are provided in this Information Circular under the heading "*Executive Compensation – Amended PRSU Plan*". The summary information is qualified in its entirety by the full text of the Amended PRSU Plan, attached hereto as Schedule A, and the full text of original PRSU Plan, attached as Schedule B to the management information circular of the Corporation dated April 30, 2018 (a copy of which is available under the Corporation's profile on the SEDAR website at www.sedar.com).

- **Fixed Plan.** Under the Amended PRSU Plan, no more than 50,000,000 Common Shares are issuable upon settlement of performance share units ("**PSUs**") and restricted share units ("**RSUs**", and together with PSUs, "**Share Units**"). The original PRSU Plan was a "rolling" security-based compensation plan with no fixed maximum number of grants. The maximum number of Common Shares that could be issued upon settlement of Share Units under the original PRSU Plan, together with the exercise of stock options under the Stock Option Plan, was 10% of the issued and outstanding Common Shares from time to time.
- **Investor Relations.** The Amended PRSU Plan does not permit securities to be issued to any participants who are engaged in "Investor Relations Activities" (as defined in the policies of the TSXV). Under the original PRSU plan, participants engaged in Investor Relations Activities were eligible to receive Share Units.
- **Participation Limit.** The Amended PRSU Plan limits the number of Common Shares issuable to any one participant, within any one year period, to 1% of the issued and outstanding Common Shares and the number of Common Shares issuable to insiders as a group, within any one year period, to 2% of the issued and outstanding Common Shares.

At the Meeting, Shareholders will be asked to approve an ordinary resolution to ratify and approve the Amended PRSU Plan. The Board believes that the passing of the following resolution is in the best interests of the Corporation and recommends that Shareholders vote in favour of the resolution. To be effective, the Amended PRSU Plan must be approved by a majority of votes cast by Shareholders present or represented at the Meeting, excluding Common Shares which represent votes attaching to shares beneficially owned by insiders to whom awards may be granted under the Amended PRSU Plan and their associates. As such, the votes attaching to an aggregate of approximately 406,897,572 Common Shares, which are beneficially owned or which control or direction is exercised by the directors and senior officers of Corporation, and their respective associates (representing approximately 50% of the Corporation's issued Common Shares entitled to vote at the Meeting) will be excluded from voting on the resolution approving the Amended PRSU Plan.

If the necessary disinterested Shareholder approval is not obtained at the Meeting, the Corporation will no longer be able to issue Common Shares from treasury upon the settlement of unallocated Share Units, being those Share Units which have not been granted as of September 9, 2020. Share Units granted prior to this date will continue to be unaffected by the approval or disapproval of the resolution; provided, however, that if any such Share Units are cancelled prior to being exercised, they will not be available for reallocation unless the resolution is approved. The TSXV does not require listed companies with fixed security-based compensation plans that, together with and all other security-based compensation arrangements, do not result in the number of Common Shares reserved for issuance under such plans exceeding 10% of the Common Shares outstanding from time to time to obtain annual shareholder approval for such fixed plans. Accordingly, if the necessary disinterested Shareholder approval is obtained at the Meeting, the Corporation will not be required to seek approval by Shareholders of the Amended PRSU Plan on an annual basis at future general meetings.

At the Meeting, the Shareholders will be asked to approve the following ordinary resolution:

“BE IT RESOLVED THAT:

1. the amended performance and restricted share unit plan (the **“PRSU Plan”**), substantially in the form attached as Schedule A to the management information circular of the Corporation dated July 29 2020, be and is hereby ratified and approved as the performance and restricted share unit plan of the Corporation;
2. the form of PRSU Plan may be amended in order to satisfy the requirements or requests of any regulatory authorities without requiring further approval of the shareholders of the Corporation; and
3. any one director or officer of the Corporation be and the same is hereby authorized and directed for and in the name of and on behalf of the Corporation to execute or cause to be executed, whether under corporate seal of the Corporation or otherwise, and to deliver or cause to be delivered all such documents, and to do or cause to be done all such acts and things, as in the opinion of such director or officer may be necessary or desirable in order to carry out the terms of this resolution, such determination to be conclusively evidenced by the execution and delivery of such documents or the doing of any such act or thing.”

In the absence of contrary instructions, the persons named in the accompanying Form of Proxy intend to vote the Common Shares represented thereby in favour of the approval of the Amended PRSU Plan.

AMENDMENT OF BY-LAW NO. 1

On July 29, 2020, the Board approved, and recommend that the Shareholders approve and ratify at the Meeting, an ordinary resolution to amend By-Law No. 1 of the Corporation to, among other things, permit meetings of Shareholders to be held by electronic means, telephone or other communication facilities that permit all persons participating in the meeting to hear or otherwise communicate with each other.

At the Meeting, Shareholders will be asked to consider, and if thought appropriate, pass the following ordinary resolution:

“BE IT RESOLVED THAT:

1. By-Law No. 1 of the by-laws of the Corporation is amended by replacing Section 10.04 with the following:

“Place of Meetings – Meetings of Shareholders shall be held at such place in Alberta as the board may determine. Subject to the Act, if the directors or the Shareholders of the Corporation call a meeting of Shareholders, the directors or the Shareholders, as the case may be, may determine that the meeting shall be held entirely by electronic means, telephone or other communication facility that permits all participants to communicate adequately with each other during the meeting.”
2. By-Law No. 1 of the by-laws of the Corporation is amended by replacing Section 10.09 with the following:

“Participation in Meeting - A Shareholder or any other person entitled to attend a meeting may participate in a meeting of Shareholders by electronic means, telephone or other communication facilities as permit all persons participating in the meeting to hear or otherwise communicate with each other, and a person participating in such a meeting by such means is deemed to be present at the

meeting. Subject to the Act, any person participating in a meeting pursuant to this section and entitled to vote at the meeting may vote by electronic means, telephone or other communication facility that the Corporation has made available for that purpose.”

3. By-Law No. 1 of the by-laws of the Corporation is amended by replacing Section 5.01 with the following:

“Committee of Directors - The directors may appoint from among their number a committee of directors, however designated, of which at least 25% of the members must be resident Canadians, and subject to section 115 of the Act may delegate to such committee any of the powers of the directors. A committee may be comprised of one director.”

4. By-law No. 1, as amended from time to time, of the by-laws of the Corporation and this by-law shall be read together and shall have effect, so far as practicable, as though all the provisions thereof were contained in one by-law of the Corporation. All terms contained in this by-law which are defined in By-law No. 1, as amended from time to time, of the by-laws of the Corporation shall, for all purposes hereof, have the meanings given to such terms in the said By-law No. 1 unless expressly stated otherwise herein or the context otherwise requires.
5. Any director or officer of the Corporation be and is hereby authorized to take all necessary steps and proceedings and to execute, deliver and file all documents with the Registrar of Corporations (Alberta) that may be necessary or desirable to give effect to provisions of this resolution.”

In the absence of contrary instructions, the persons named in the accompanying Form of Proxy intend to vote the Common Shares represented thereby in favour of the approval of the amendments to By-Law No. 1.

SHARE CONSOLIDATION

At the Meeting, Shareholders will be asked to approve a special resolution authorizing the consolidation of the Common Shares into a lesser number of issued Common Shares. The special resolution will authorize the Board to: (a) select a consolidation ratio of between four (4) and eight (8) pre-consolidation Common Shares for each one post-consolidation Common Share; and (b) file articles of amendment giving effect to the consolidation at the selected ratio (the “**Consolidation**”).

As of the date of this Information Circular, the Corporation has 814,555,701 Common Shares issued and outstanding. The Corporation has experienced a significant increase in its share count as a result of the completion of: (a) the Arrangement; and (b) the acquisition of all the issued and outstanding common shares of Gran Tierra Energy International (Peru) Holdings B.V., an indirect wholly-owned subsidiary of GTE, on December 18, 2017 and wishes to reduce the outstanding share amount to a level more in keeping with its industry peers. The Corporation believes that the Consolidation, if implemented, will promote increased liquidity and reduced volatility in the trading of the Common Shares.

If approved and implemented, the Consolidation will occur simultaneously for all of the Corporation’s issued and outstanding Common Shares and the consolidation ratio will be same for all such Common Shares. The Consolidation will affect all holders of Common Shares uniformly and will not affect any Shareholder’s percentage ownership interest in the Corporation, except to the extent that the Consolidation would otherwise result in a Shareholder owning a fractional Common Share. No fractional post-Consolidation Common Shares will be issued and no cash will be paid in lieu of fractional post-Consolidation Common Shares. Any fractional Common Shares resulting from the Consolidation will be rounded to the nearest whole Common Share with fractions equal to 0.5 being rounded up to the nearest whole Common Share.

The Corporation currently has an unlimited number of Common Shares available for issuance and the Consolidation will not have any effect on the number of Common Shares that remain available for future issuance. The exercise or conversion price and the number of Common Shares issuable under any convertible securities of the Corporation will be proportionately adjusted upon the completion of the Consolidation.

The Consolidation is subject to: (a) receipt of all required regulatory approvals; and (b) the approval of the Consolidation by the Shareholders at the Meeting. If these approvals are received, the Consolidation will occur at a time determined by the Board and announced by a press release of the Corporation. Notwithstanding approvals being received, the Board may determine not to proceed with the Consolidation, at its discretion.

Pursuant to section 173(1)(f) of the ABCA, the Consolidation must be approved by a special resolution of Shareholders. Accordingly, to be adopted, the special resolution must be approved by at least two-thirds of the votes cast at the Meeting by Shareholders in person or represented by proxy. At the Meeting, Shareholders will be asked to consider, and if thought appropriate, pass the following special resolution:

“BE IT RESOLVED AS A SPECIAL RESOLUTION THAT:

1. the Corporation is authorized to file articles of amendment pursuant to section 173(1)(f) of the *Business Corporations Act* (Alberta) (the “**ABCA**”) to change the number of issued and outstanding common shares (“**Common Shares**”) in the capital of the Corporation by consolidating the issued and outstanding Common Shares on the basis of a ratio to be selected by the board of directors of the Corporation (the “**Board**”) between four (4) and eight (8) pre-consolidation Common Shares for each one post-consolidation Common Share (the “**Consolidation**”) or for such other lesser whole or fractional number of existing Common Shares that the directors, in their sole discretion, determine to be appropriate, and in the event that the Consolidation would otherwise result in a holder of Common Shares holding a fraction of a Common Share, any fractional interest in Common Shares that is less than 0.5 of a Common Share resulting from the Consolidation will be rounded down to the nearest whole Common Share and any fractional interest in Common Shares that is 0.5 or greater of a Common Share will be rounded up to the nearest whole Common Share, such amendment to become effective at a date in the future to be determined by the Board when the Board considers it to be in the best interests of the Corporation to implement such a Consolidation, but in any event not later than the business day immediately prior to the Corporation’s next annual general meeting, subject to approval of the TSX Venture Exchange;
2. any director or officer of the Corporation is authorized and directed for and in the name of and on behalf of the Corporation to execute and deliver or cause to be delivered articles of amendment to the Registrar under the ABCA and to execute and deliver or cause to be delivered all documents and to take any action which, in the opinion of that person, is necessary or desirable to give effect to this special resolution;
3. notwithstanding that this special resolution has been duly passed by the holders of the Common Shares, the directors of the Corporation may in their sole discretion revoke this special resolution in whole or in part at any time prior to its being given effect without further notice to, or approval of, the holders of the Common Shares; and
4. any one director or officer of the Corporation be and the same is hereby authorized and directed for and in the name of and on behalf of the Corporation to execute or cause to be executed, whether under corporate seal of the Corporation or otherwise, and to deliver or cause to be delivered all such documents, and to do

or cause to be done all such acts and things, as in the opinion of such director or officer may be necessary or desirable in order to carry out the terms of this resolution, such determination to be conclusively evidenced by the execution and delivery of such documents or the doing of any such act or thing.”

In the absence of contrary instructions, the persons named in the accompanying Form of Proxy intend to vote the Common Shares represented thereby in favour of the Consolidation.

OTHER MATTERS COMING BEFORE THE MEETING

The Board knows of no other matters to come before the Meeting other than as referred to in the Notice of Meeting. Should any other matters properly come before the Meeting, the Common Shares represented by proxy solicited hereby will be voted on such matters in accordance with the best judgement of the person voting such proxy.

EXECUTIVE COMPENSATION

General

All currency amounts expressed herein, unless otherwise indicated, are expressed in United States dollars.

The following information relates to the Corporation’s financial year ended December 31, 2019.

For the purpose of this statement of executive compensation, a “CEO” or “CFO” means each individual who served as Chief Executive Officer or Chief Financial Officer, respectively, of the Corporation or acted in a similar capacity during the most recently completed financial year. A “Named Executive Officer” or “NEO” means: (a) each CEO, (b) each CFO, (c) the Corporation’s most highly compensated officer, other than the CEO and CFO, who was serving as an officer at the end of the most recently completed financial year and whose total compensation was more than CAD\$150,000, and (d) any additional individuals who would be a Named Executive Officer under subsection (c) but for the fact that the individual was not an executive officer of the Corporation, and was not acting in a similar capacity, at the end of the financial year.

Based on the foregoing definitions, the Corporation’s Named Executive Officers in respect of the year ended December 31, 2019 were: Manuel Pablo Zúñiga-Pflücker, President and Chief Executive Officer; Douglas C. Urch, Executive Vice President and Chief Financial Officer; Estuardo Alvarez-Calderon, Vice President Exploration and Development; Gregory E. Smith, former Executive Vice President and Chief Financial Officer; and Charles Fetzner, former Vice President, Asset Development.

Compensation Philosophy, Objectives and Governance

The executive compensation program adopted by the Corporation and applied to its executive officers is designed to attract and retain qualified and experienced executives who will contribute to the success of the Corporation. The executive compensation program attempts to ensure that the compensation of the senior executive officers provides a competitive base compensation package and a strong link between corporate performance and compensation. Executive officers are motivated through the program to enhance long-term shareholder value. On January 22, 2018, the Board established the Corporate Governance and Compensation Committee and adopted the following practices recommended by the Corporate Governance and Compensation Committee that are designed to avoid inappropriate or excessive risks:

- **Ownership Guidelines.** The Corporation has implemented share ownership guidelines (the “**Ownership Guidelines**”) for executive officers and non-executive directors of the Corporation to further align their interests with the long-term interests of Shareholders. The Ownership Guidelines require that, within three years of joining the Corporation, each executive officer or non-executive director has a minimum holding of Common Shares or Common Share equivalents, including PSUs, RSUs and deferred share units (“**DSUs**”), that have an aggregate value of at least: (a) three times the annual base salary for the CEO; (b) two times the annual base salary for each other

officer of the Corporation; and (c) three times the amount of the annual Board retainer for each non-executive director.

- **Anti-Hedging Policy.** The Corporation has adopted a written anti-hedging policy (the “**Anti-Hedging Policy**”) that prohibits a NEO or director, among others, from purchasing financial instruments, including prepaid variable forward contracts, instruments for the short sale or purchase or sale of call or put options, equity swaps, collars, or units of exchangeable funds, that are designed to or that may reasonably be expected to have the effect of hedging or offsetting a decrease in the market value of any securities of the Corporation.

The Anti-Hedging Policy has been implemented to ensure that directors, executive officers and employees of the Corporation are prohibited from hedging or monetizing transactions in order to lock in the value of their securities of the Corporation. Examples would include the entry into prepaid variable forward contracts, instruments for the short sale or purchase or sale of call or put options, equity swaps, collars, or units of exchangeable funds that have the effect of offsetting a decrease in the market value of securities held in the Corporation.

In addition, pursuant to the Anti-Hedging Policy governing insider trading, short-term speculative trading of the Common Shares by officers, directors and employees is strongly discouraged as it conflicts with the best interests of the Corporation and its Shareholders. Consequently, insiders including the Corporation’s NEOs, directors and their related persons, are not only discouraged from frequently trading the Common Shares, but are also specifically prohibited from short selling any Common Shares and from trading in any derivative instruments involving the Corporation’s securities.

- **Clawback Policy.** The Corporation has implemented a written clawback policy (the “**Clawback Policy**”) for situations where a director, executive officer or other employee receives additional incentive compensation as a result of his or her own misconduct (the “**Overpayment Amounts**”). In such situations, the director, executive officer or other employee shall be obligated to reimburse the Corporation for such Overpayment Amounts and the Board shall be given the discretion to determine the steps required to affect such recovery.

The Corporation did not retain, during the most recently completed financial year, a consultant or advisor to assist the Board in determining compensation for the Corporation’s directors or executive officers.

Compensation Process

The Board relies on the knowledge and experience of its members to set appropriate levels of compensation for NEOs. When determining NEO compensation, the Board uses all data available to it to ensure that such compensation is set at a level that is both commensurate with the size of the Corporation, responsibilities of the particular NEO and retention of the NEOs, who are considered by the Board to be essential to the success of the Corporation. In reviewing comparative data during the most recently completed financial year, the Board did not engage in benchmarking for the purpose of establishing compensation levels relative to any predetermined level and did not compare its compensation to a specific peer group of companies. The Board reviews the various elements of the NEOs’ compensation in the context of the total compensation package (including salary, incentive bonuses and awards of stock options, PSUs and RSUs) and recommends the NEOs’ compensation packages.

Elements of Compensation

The executive compensation program consists of three components: (a) base compensation in the form of salary; (b) incentive bonuses in the form of cash payments; and (c) long-term compensation in the form of stock options, PSUs and RSUs. For the Named Executive Officers, the stock option, PSU and RSU component is an essential part of their compensation. Neither the Board nor a committee thereof considered the implications of the risks associated with the Corporation’s compensation policies and practices. In addition, no NEO or director of the Corporation is permitted to purchase financial instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps, collars or units of

exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation, or held, directly or indirectly, by a Named Executive Officer or director of the Corporation.

Base Compensation and Incentive Bonuses

Base compensation for executive officers of the Corporation is set annually, having regard to the individual's job responsibilities, contribution, experience and proven or expected performance, as well as to market conditions. In setting base compensation levels, consideration is to be given to such factors as level of responsibility, experience and expertise in addition to the policies of the TSXV. Subjective factors such as leadership, commitment and attitude are also to be considered.

Incentive bonuses, in the form of cash payments, are designed to add a variable component of compensation based on corporate and individual performance for executive officers.

Stock Options, PSUs and RSUs

To provide a long-term component to the executive compensation program, executive officers of the Corporation are eligible to receive stock options, PSUs and RSUs. The maximization of shareholder value is encouraged by granting stock options, PSUs and RSUs since such grants provide an incentive to eligible persons to further the development, growth and profitability of the Corporation. Consideration will be given to granting stock options, PSUs and RSUs amongst the various organizational levels of management, including directors, officers and certain consultants. The CEO makes recommendations to the Board for the CFO and other key employees. These recommendations are to take into account factors, such as awards made in previous years, the number of stock options, PSUs and RSUs outstanding per individual and the level of responsibility. The Board, as a whole, determines the stock options, PSUs and RSUs to be issued to the CEO. See "Stock Option Plan" and "Amended PRSU Plan", below, for more details.

Pension Plan Benefits

The Corporation does not have a pension plan or provide any benefits following or in connection with retirement.

Incentive Plan Awards - Value Vested or Earned During the Year

The Corporation did not have any option-based awards outstanding at any point during the year ended December 31, 2019. No share-based awards for the Named Executive Officers vested during the Corporation’s most recent fiscal year ended December 31, 2019.

Summary of Directors’ Compensation

The directors of the Corporation are entitled to receive compensation for services in their capacity as directors. Members of the Board of Directors are entitled to be reimbursed for all reasonable expenses incurred to attend meetings. In addition, the Stock Option Plan and the Amended PRSU Plan allow for the grant of options and Share Units, respectively, to directors.

On April 30, 2018, the Board approved the adoption of a plan (the “**DSU Plan**”) to grant DSUs to non-employee directors. No Common Shares will be issued under the DSU Plan and all DSUs granted are settled in cash. DSUs vest on the date they are granted but directors are only entitled to receive the value of the DSUs once they cease to be a director of the Corporation. As further described below, the DSU Plan provides for a cash payment equal to the closing price of the Common Shares on the trading day prior to payment multiplied by the number of notional Common Shares underlying the DSUs held by a director after such director ceases to be a director of the Corporation. In addition to providing for the grant of DSUs to

non-employee directors, non-employee directors also have the option to elect to receive DSUs in lieu of receiving their annual cash retainers.

Deferred Share Unit Plan

The purpose of the DSU Plan is to: (a) promote a proprietary interest in the Corporation and a greater alignment between non-employee directors of the Corporation and Shareholders; (b) provide a compensation system for directors that is reflective of the responsibilities, commitments and risks accompanying the role of a director; and (c) assist the Corporation in attracting experienced individuals to serve as directors.

The DSU Plan is administered by the Board, which has the authority to grant DSU awards under the DSU Plan to non-employee directors. The DSU Plan may be amended, suspended or terminated at any time by the Board. The DSUs granted thereunder are not transferable or assignable except in the case of death. There are currently 1,057,299 DSUs outstanding under the DSU Plan.

No Common Shares will be issued under the DSU Plan and all DSUs granted are settled in cash. DSUs vest on the date they are granted but directors are only entitled to receive the value of the DSUs once they cease to be a director of the Corporation. Under the DSU Plan, directors may elect to receive up to 100% of their annual retainer in the form of DSUs.

The cash payment to be received will be equal to the number of DSUs held by the director on the date the director ceased to be a director after giving effect to adjustments for dividends, multiplied by the closing price of the Common Shares on the TSXV on the trading day immediately prior to the date the payment is to be made, less all applicable withholding taxes.

Under no circumstances shall DSUs be considered Common Shares or other securities of the Corporation, nor shall they entitle any participant to exercise voting rights or any other rights attaching to the ownership of Common Shares or other securities of the Corporation, including, without limitation, voting rights, dividend entitlement rights or rights on liquidation, nor shall any participant be considered the owner of Common Shares by virtue of an award of DSUs. Notwithstanding the foregoing, and without conferring any rights as Shareholders to the holders thereof, DSUs held by directors are included in calculating achievement of share ownership guidelines.

For further information on compensation paid to the non-employee directors of the Corporation including Douglas C. Urch, prior to his appointment as the Executive Vice President and Chief Financial Officer of the Corporation, see “*Director Compensation Table*” below. For a description of the compensation paid to Manuel Pablo Zúñiga-Pflücker, a director and the President and Chief Executive Officer of the Corporation and Mr. Urch, following his appointment as the Executive Vice President and Chief Financial Officer of the Corporation, see “*Summary Compensation Table*” above.

Director Compensation Table

The following table sets forth for each of the Corporation’s directors, other than in the capacity of Named Executive Officer, all amounts of compensation earned, paid and payable, for the Corporation’s most recently completed fiscal year ended December 31, 2019:

Name	Fees Earned (US\$) ⁽¹⁾	Share-based awards (US\$) ⁽²⁾	Option-based awards (US\$)	Non-equity incentive plan compensation (US\$)	Pension value (US\$)	All other compensation (US\$)	Total (US\$)
Mark McComiskey ⁽³⁾	36,525	56,393	-	-	-	-	92,918
Gary S. Guidry	28,757	48,121	-	-	-	-	76,879
Ryan Ellson	28,757	48,121	-	-	-	-	76,879

Roger M. Tucker ⁽⁴⁾	4,825	6,893	-	-	-	-	11,719
Douglas C. Urch ⁽⁵⁾	41,992	80,159	-	-	-	-	122,151

Notes:

- (1) Fees earned by the directors were paid in Canadian dollars, US dollars, and Great Britain pounds. The Canadian dollar amounts were converted to US dollars at a rate of 0.7699, which was the average foreign exchange rate for the year ended 2019.
- (2) The compensation reported under share-based awards is the value of DSUs granted in the year ended December 31, 2019. The value of DSUs is based on the number of DSUs granted multiplied by the closing price per common share on the TSXV for the trading day prior to the date of the grant. This methodology for calculating the fair value of the DSU awards on the grant date is consistent with the initial fair value determined in accordance with IFRS 2. As a result, the total compensation expense for these DSU grants under IFRS for the year ended December 31, 2019 was US\$0.3 million in aggregate for all directors.
- (3) Mr. McComiskey was appointed the Chair of the Board effective November 4, 2019.
- (4) Ms. Barker and Mr. Tucker were appointed directors of the Board effective December 19, 2019.
- (5) On November 4, 2019, Mr. Urch resigned as a director of the Corporation and the Chair of the Board was concurrently appointed as the Executive Vice President and Chief Financial Officer and thus his compensation as a director was prorated for a partial year.

Outstanding Share-based Awards and Option-based Awards by Director

Except for the DSUs set forth above, no awards are outstanding for the directors of the Corporation as of December 31, 2019.

Stock Option Plan

Pursuant to the policies of the TSXV, the Corporation is permitted to have “rolling” equity-based compensation arrangements. On April 30, 2018, the Board approved the Stock Option Plan, a copy of which is attached as Schedule A to the management information circular of the Corporation dated April 30, 2018 (a copy of which is available under the Corporation’s profile on the SEDAR website at www.sedar.com), pursuant to which options to purchase Common Shares may be granted to directors, officers, employees and consultants of the Corporation. At the Meeting, Shareholders will be asked to vote on a resolution to approve the Stock Option Plan for the ensuing year. There are currently no stock options outstanding under the Stock Option Plan.

Description of the Stock Option Plan

The purposes of the Stock Option Plan are: (a) to provide directors, officers, employees and consultants of the Corporation an incentive to achieve the longer-term objectives of the Corporation; (b) to give suitable recognition to the ability and industry of such persons who contribute materially to the success of the Corporation; and (c) to attract and retain in the employ of the Corporation or any of its subsidiaries, persons of experience and ability by providing them with the opportunity to acquire an increased proprietary interest in the Corporation.

Eligibility

The Stock Option Plan provides for the granting of stock options to purchase Common Shares to directors, officers, employees and consultants of the Corporation or any of its subsidiaries.

Administration

The Stock Option Plan is administered by the Board and the Board may, subject to applicable law, delegate its powers to administer the Stock Option Plan to a committee of the Board. Stock options may be granted at the discretion of the Board, in such number that may be determined at the time of grant, subject to the limits set out in the Stock Option Plan. Previous grants will be taken into account when considering new grants.

Exercise Price

The exercise price of stock options granted under the Stock Option Plan will be fixed by the Board at the time of grant, provided that the exercise price shall be not less than the discounted market price of the Common Shares in accordance with the policies of the TSXV.

Maximum Percentage of Common Shares Reserved

The aggregate number of Common Shares that may be issued pursuant to the exercise of stock options awarded under the Stock Option Plan and all other security-based compensation arrangements of the Corporation, including the Amended PRSU Plan, is 10% of the Common Shares outstanding from time to time (on a non-diluted basis), subject to the following limitations:

- (a) the aggregate number of Common Shares reserved for issuance to any one person under the Stock Option Plan, within a 12 month period, must not exceed 5% of the issued and outstanding Common Shares (on a non-diluted basis);
- (b) the aggregate number of Common Shares reserved for issuance to any single consultant under the Stock Option Plan within a 12 month period, shall not exceed 2% of the issued and outstanding Common Shares; and
- (c) the aggregate number of Common Shares reserved for issuance to any one participant employed to provide investor relations activities (as defined in the Stock Option Plan) within a 12 month period, must not exceed 2% of the issued and outstanding Common Shares.

Transferability

The stock options are not assignable or transferable by a participant, except for a limited right of assignment in the event of the death of the participant.

Term and Vesting

The term of the stock options granted shall be determined by the Board in its discretion, to a maximum of five years from the date of the grant of the option. Subject to the policies of the TSXV, vesting shall be as to one-third on each of the first, second and third anniversaries of the date of grant. Further, the Board may, in its sole discretion at any time or in the agreement in respect of any stock options granted, accelerate, or provide for the acceleration of, vesting of stock options previously granted.

Early Expiration

Unless otherwise provided in an agreement evidencing the grant of stock options, stock options shall terminate at the earlier of: (a) 30 days after the participant ceasing (other than by reason of death) to be at least one of an officer, director, employee or consultant of the Corporation or a subsidiary of the Corporation, as the case may be; and (b) the expiry date of the stock option. If before the expiry of a stock option in accordance with the terms thereof a participant ceases to be an employee, officer, director or consultant by reason of the death of the participant, any unvested portion of such stock option shall vest within one year following the earlier of the death of the participant and the expiry date of the stock option. In addition, such stock option may, subject to the terms thereof and any other terms of the Stock Option Plan, be exercised by the legal personal representative(s) of the participant's estate.

Takeover or Change of Control

In the event of any disposition of all or substantially all of the assets of the Corporation, or the dissolution, merger, amalgamation or consolidation of the Corporation with or into any other corporation or of such corporation into the Corporation, or any change in control of the Corporation occurring, the Corporation will have the power to make such arrangements as it shall deem appropriate for the exercise of outstanding

options or continuance of outstanding options, including, without limitation, to amend any option agreement to permit the exercise of any or all of the remaining options prior to the completion of any such transaction.

Voluntary Black-Out Periods

The Corporation has adopted a policy on trading in the securities of the Corporation which results in the imposition of self-imposed black-out periods from time to time, preventing officers, directors, employees and consultants from exercising options. For example, these black-out periods would be imposed prior to the release of financial statements and when the Corporation is considering various possible transactions or is completing material operations that could, if consummated or successfully completed, have a significant effect on the trading price or value of the Corporation's securities. This policy will be adopted as part of Corporation's approach to responsible governance. However, the imposition of voluntary black-out periods can penalize the Corporation, and its insiders and employees where their stock options have not been exercised prior to the voluntary black-out period and such stock options would expire during such period.

Pursuant to the Stock Option Plan, the expiration of the term of any stock options that would fall during any black-out period or within 10 days following the termination of any black-out period will be extended for a period of 10 business days following the expiry of such black-out period, such that all participants will always have a maximum of 10 business days following a voluntary black-out period to exercise stock options. This provision applies to all participants.

Amended PRSU Plan

Pursuant to the policies of the TSXV, the Corporation is permitted to have "fixed" equity-based compensation arrangements. On December 13, 2019, the Board approved the Amended PRSU Plan, a copy of which is attached hereto as Schedule A, pursuant to which Share Units may be granted to directors, officers, employees and consultants of the Corporation. At the Meeting, Shareholders will be asked to vote on a resolution to ratify and approve the Amended PRSU Plan. To be effective, the resolutions approving the Amended PRSU Plan must receive disinterested Shareholder approval as required under the policies of the TSXV and the terms of the Amended PRSU Plan. There are currently 10,871,353 PSUs and no RSUs outstanding under the Amended PRSU Plan.

Description of the Amended PRSU Plan

The purposes of the Amended PRSU Plan are to provide directors, officers, employees and consultants of the Corporation with the opportunity to acquire Share Units to allow them to participate in the long term success of the Corporation and to promote a greater alignment of their interests with the interests of the Shareholders. Each Share Unit will entitle the holder thereof upon settlement to receive up to two Common Shares in accordance with the Amended PRSU Plan.

Eligibility

The Amended PRSU Plan provides for the granting of Share Units to directors, officers, employees and consultants of the Corporation or any of its subsidiaries. The Board reserves the right to restrict eligibility or otherwise limit the number of persons eligible for participation in the Amended PRSU Plan at any time. Eligibility to participate does not confer upon any individual a right to receive an award of Share Units pursuant to the Amended PRSU Plan.

Administration

The Amended PRSU Plan is administered by the Board and the Board may, subject to applicable law, delegate its powers to administer the Amended PRSU Plan to a committee of the Board. Share Units may be granted at the discretion of the Board, in such number that may be determined at the time of grant, subject to the limits set out in the Amended PRSU Plan. Previous grants will be taken into account when considering new grants.

Maximum Percentage of Common Shares Reserved

The aggregate number of Common Shares that may be issued pursuant to the exercise of Share Units awarded under the Amended PRSU Plan is 50,000,000 Common Shares, subject to the following limitations:

- (a) the Board shall not grant Share Units under the Amended PRSU Plan if the number of Common Shares issuable pursuant to outstanding Share Units, when combined with the number of Common Shares issuable pursuant to outstanding stock options granted under the Stock Option Plan and outstanding convertible securities under any other security-based compensation arrangements, would exceed 10% of the issued and outstanding Common Shares at the time of the grant;
- (b) the number of Common Shares issued to any one participant and their associates under the Amended PRSU Plan, within a 12 month period, must not exceed 1% of the issued and outstanding Common Shares at the time of the grant;
- (c) the number of Common Shares issued to any one insider and their associates under all security based compensation arrangements, including the Amended PRSU Plan, within a 12 month period, must not exceed 5% of the issued and outstanding Common Shares at the time of the grant;
- (d) the number of Common Shares issued to insiders (as a group) under the Amended PRSU Plan, within a 12 month period, must not exceed 2% of the issued and outstanding Common Shares at the time of the grant;
- (e) the number of Common Shares issued to any participant consultant under all security based compensation arrangements, including the Amended PRSU Plan, within a 12 month period, must not exceed 2% of the issued and outstanding Common Shares at the time of the grant; and
- (f) no securities will be issued to any participants who are employees engaged to provide "Investor Relations Activities" (as defined in policies of the TSXV).

The original PRSU Plan, prior to the implementation of the amendments approved by the Board on December 13, 2019, did not contain the restriction of a maximum of 50,000,000 Common Shares or the limitations described in items (b), (d) or (f) above.

Transferability

RSUs or PSUs, as applicable, are assignable by holders of such Share Units to certain assignors, including: a trustee, a custodian or an administrator acting on behalf of, or for the benefit of the holder or the holder's spouse, a holding entity of the holder or the holder's spouse, or the holder's spouse. Share Units are otherwise non-transferable.

Term and Settlement

PSU and RSU grants vest in such manner as determined by the Board. Prior to the distribution date in respect of any PSU, the Board shall assess the performance of the Corporation for the applicable period. The weighting of the individual's performance measures shall be determined by the Board in its sole discretion having regard to the principal purposes of the Amended PRSU Plan and, upon the assessment of all performance measures, the Board shall determine the adjustment factor for the applicable period in its sole discretion. The applicable adjustment factor may be between a minimum of zero and such maximum as determined by the Board (provided such maximum shall not exceed 2.0). The number of PSUs which vest on a vesting date is the number of PSUs scheduled to vest on such date multiplied by the adjustment factor.

The Board, in its sole discretion, has the option of settling the Common Shares issuable in respect of Share Units by either or both of the following methods: (a) settlement in Common Shares acquired by the Corporation on the TSXV; or (b) the issuance of Common Shares from the treasury of the Corporation.

Early Expiration

In the event that a participant of the Amended PRSU Plan ceases to be a director, officer, employee or consultant of the Corporation or a subsidiary of the Corporation for any reason, including without limitation, resignation or dismissal, but excluding death or permanent disability, the participant may, prior to the expiry date of the RSUs or PSUs, as applicable, and within 90 days from the date of ceasing to be a director, officer, employee or consultant, exercise any Share Units which are vested within such period, after which time any outstanding Share Units shall terminate. All grants of Share Units to U.S. Taxpayers (as such term is defined in the Amended PRSU Plan) shall be deemed to adjust the 90-day term to 74 days. In the event of death or permanent disability of a participant, the participant's legal representative or the participant, as applicable, may, within one year from the participant's death and prior to the expiry date, exercise the Share Units which are vested within such period, after which time any remaining Share Units shall terminate.

A holder of vested Share Units may determine the date of settlement of such Share Units, provided that such date is not later than the earlier of: (a) the 30th day after the holder ceases to be eligible to participate in the Amended PRSU Plan; and (b) December 15th of the year such Share Units become vested.

Takeover or Change of Control

In the event of a Change of Control (as such term is defined in the Amended PRSU Plan), all unvested Share Units shall become automatically vested. Common Shares issuable in respect of Share Units shall be, and shall be deemed to be, issued to participants effective immediately prior to the completion of the transaction which would result in the Change of Control unless issued prior thereto in accordance with the Amended PRSU Plan.

Voluntary Black-Out Periods

The Corporation has adopted a policy on trading in the securities of the Corporation which results in the imposition of self-imposed black-out periods from time to time, preventing officers, directors, employees and consultants from exercising Share Units. For example, these black-out periods would be imposed prior to the release of financial statements and when the Corporation is considering various possible transactions or is completing material operations that could, if consummated or successfully completed, have a significant effect on the trading price or value of the Corporation's securities. This policy will be adopted as part of the Corporation's approach to responsible governance. However, the imposition of voluntary black-out periods can penalize the Corporation, and its insiders and employees where their Share Units have not been exercised prior to the voluntary black-out period and such Share Units would expire during such period. The expiration of the term of any Share Units that would fall during any black-out period or within 10 days following the termination of any black-out period will be extended for a period of 10 business days following the expiry of such black-out period, such that all participants will always have a maximum of 10 business days following a voluntary black-out period to exercise Share Units. This provision applies to all participants.

NP 58-201 provides guidance on corporate governance practices. The Corporation is also subject to NI 52-110, which has been adopted in each of the Canadian provinces and territories and which prescribes certain requirements in relation to audit committees.

The Board is responsible for the governance of the Corporation. The Board and the Corporation’s management consider good corporate governance to be central to the effective and efficient operation of the Corporation. Below is a discussion of the Corporation’s approach to corporate governance.

Corporate Governance and Compensation Committee

The Board has established a Corporate Governance and Compensation Committee. The members of the Corporate Governance Committee are Messrs. McComiskey, Ellson and Wilson. Mr. McComiskey is the Chair of the Corporate Governance and Compensation Committee. The Corporate Governance and Compensation Committee is comprised entirely of non-management members of the Board.

The Board has adopted a written charter that sets forth the responsibilities, powers and operations of the Corporate Governance and Compensation Committee, which include: (a) reviewing and determining the compensation policies of the Corporation with respect to directors, officers, employees and consultants of the Corporation; (b) proposing new nominees to the Board and for assessing directors on an ongoing basis; and (c) responding to and implementing the guidelines set forth from time to time, by any applicable regulatory authorities.

The Corporate Governance and Compensation Committee has the power to retain outside advisors as it considers necessary for the proper functioning of the committee, at the Corporation's expense. The Corporate Governance and Compensation Committee meets at least once annually and otherwise as requested by the Board or considered desirable by the Chair of the Corporate Governance and Compensation Committee.

Independence of Members of Board

The Board currently consists of seven directors, six of whom are independent based upon the tests for independence set forth in NI 52-110. Messrs. Board Oversight

The Board exercises its independent supervision over the Corporation's management through a combination of formal meetings of the Board as well as informal discussions amongst the Board members. The independent directors can also hold scheduled meetings at which non-independent directors and members of management are not in attendance. Where matters arise at Board meetings which require decision making and evaluation that is independent of management and interested directors, the meeting breaks into an *in camera* session among the independent and disinterested directors.

Board Mandate

The Board has adopted a written mandate, attached hereto as Schedule B, that summarizes, among other things, the Board's duties and responsibilities. The Board is responsible for the overall stewardship of the Corporation and dealing with issues which are pivotal to determining the Corporation's strategy and direction. The Board has directly, and through the appointment of certain committees, put in place an effective system for monitoring the implementation of corporate strategies. The Board is not involved in the day to day operations of the Corporation, as these operations are conducted by the Corporation's management. The Board meets regularly to consider and approve the strategic objectives of the Corporation and management plans designed to accomplish those objectives. Where appropriate, key

management personnel and professional advisors are invited to attend Board meetings to speak to these issues. The Board also meets as necessary to consider specific developments and opportunities as they arise, including asset acquisitions and dispositions and financing proposals. The Board approves, among other things, all issuances of securities of the Corporation, the appointment of officers, the entering into of lines of credit or other significant borrowing activities and all significant transactions. The Board considers, but has no formal policies, concerning management development and succession and risk management.

Essential to strategic planning is assessing and understanding business risks and related control systems. The Board helps set limits with respect to business risks, to the extent they can be managed, and approves strategies for minimizing risks. Implementations of these strategies are then monitored by the Board. The Board, through the Audit Committee, requires management of the Corporation to put into place systems to address financial risks and to periodically report to the Board on these systems and risks.

Management has implemented procedures to provide reasonable assurance of effective communication with the Corporation's shareholders and the public. The Corporation's management is responsible for the issuance of press releases and communications with the financial community. The Board reviews and approves all principal continuous disclosure documents, the release of interim and annual financial statements, annual information forms, prospectuses and information circulars.

The Corporate Governance and Compensation Committee is responsible for monitoring the governance systems of the Corporation with a view to ongoing improvements, reviewing the composition of the Board and developing criteria for new Board appointments. The Corporate Governance and Compensation Committee also acts as a nominating committee for new directors, oversees and approves the Corporation's compensation plans and evaluates the overall Board effectiveness.

Position Descriptions

The Board has developed a written position description for the Chair of the Board and the Chief Executive Officer of the Corporation but has not developed a written position description for the Chair of the Audit Committee.

The Chair of each committee of the Board schedules meetings of the committee and organizes and presents agendas for such meetings.

The Board, in conjunction with management, sets the Corporation's annual objectives which become the objectives against which the Chief Executive Officer's performance is measured. The Board has plenary power; any responsibility which is not delegated to management or a Board committee remains with the Board.

Orientation and Continuing Education

While the Corporation does not have a formal orientation and training program, new members of the Board are provided with:

- (a) a copy of the policies and mandates of the Board and its committees and copies of the Corporation's corporate governance policies, which provides information respecting the functioning of the Board;
- (b) access to recent, publicly filed documents of the Corporation;
- (c) access to management; and
- (d) access to legal counsel in the event of any questions relating to the Corporation's compliance and other obligations.

Members of the Board are encouraged to communicate with management, legal counsel and, where applicable, auditors and technical consultants of the Corporation; to keep themselves current with industry trends and developments and changes in legislation with management's assistance; and to attend related

industry seminars and visit the Corporation's operations. Board members have full access to the Corporation's records.

Ethical Business Conduct

In establishing its corporate governance practices, the Board has been guided by applicable Canadian securities legislation and the guidelines of the TSXV for effective corporate governance, including NP 58-201. The Board is committed to a high standard of corporate governance practices. The Board believes that this commitment is not only in the best interests of its Shareholders, but that it also promotes effective decision making at the Board level.

Additionally, in order to encourage and promote a culture of ethical business conduct, the Board has adopted a Code of Business Conduct and Ethics (the "**Code**") wherein directors, officers and employees of the Corporation and others are provided with a mechanism by which they can raise complaints regarding financial and regulatory reporting, internal accounting controls, auditing or health, safety and environmental matters or any other matters and raise concerns about any violations of the Code in a confidential and, if deemed necessary, anonymous process. The Code is available on the Corporation's SEDAR profile at www.sedar.com or upon request by contacting the Corporation's legal counsel at Suite 4300, 888 – 3rd Street S.W., Calgary, Alberta T2P 5C5.

The Board has instructed its management and employees to abide by the Code and to bring any breaches of the Code to the attention of the Chief Financial Officer. Compliance with the Code is monitored primarily through the reporting process within the Corporation's organizational structure.

It is a requirement of applicable corporate law that directors who have an interest in a transaction or agreement with the Corporation promptly disclose that interest at any meeting of the Board at which the transaction or agreement will be discussed and abstain from discussions and voting in respect to same if the interest is material. The Code imposes a similar disclosure requirement on all non-director representatives of the Corporation and requires such persons to report such conflict to the executive officer to whom that person reports in the course of his employment responsibilities, or, in the case of a senior executive officer, to the Audit Committee and fully inform such person or the committee, as applicable, of the facts and circumstances related to the conflict or potential conflict. The representative is prohibited from taking any further action in respect of the matter or transaction giving rise to such conflict or potential conflict unless and until he is authorized to do so by his reporting officer or the Audit Committee.

Nomination of Directors

The Corporate Governance and Compensation Committee has responsibility for identifying potential Board candidates. The Corporate Governance Committee assesses potential Board candidates to fill perceived needs on the Board for required skills, expertise, independence and other factors. Members of the Board and representatives of the oil and gas industry are consulted for possible candidates. The Board has adopted a written charter setting forth the responsibilities, powers and operations of the Corporate Governance and Compensation Committee, which include considering and recommending candidates to fill new positions on the Board, reviewing candidates recommended by Shareholders, conducting inquiries into the backgrounds and qualifications of candidates, recommending the director nominees for approval by the Board and the Shareholders, considering conflicts of interests, recommending members and chairs of the committees, reviewing the performance of directors and the Board, establishing director retirement policies and establishing and implementing an orientation and education program for new members of the Board.

The Board is responsible to assess, on an ongoing basis, its overall performance and that of its committees. The objective of this review is to contribute to a process of continuous improvement in the Board's execution of its responsibilities. The review will identify any areas where the directors of the Corporation or management believe that the Board could make a better collective contribution to overseeing the affairs of the Corporation. The Board is also responsible for regularly assessing the effectiveness and contribution of each director, having regard to the competencies and skills each director is expected to bring to the Board. No Exercise Notice or election of alternative Distribution Date shall be permitted for U.S. Taxpayers.

4.7 Distribution of Shares

- (a) Subject to any election received and accepted by the Corporation pursuant to Section 4.6(c), as soon as practicable after each Distribution Date or on the Final Date (if the Distribution Date is the Final Date), the Corporation shall issue to the Participant or, if Section 4.10 applies, to the Participant's estate, a number of Shares equal to the number of Share Units in the Participant's account that became payable on the Distribution Date (the "**Payment Shares**"). Following receipt of the Exercise Notice from the Participant, the Corporation shall advise the Participant in writing of any Applicable Withholding Amount required in connection with the issue of Shares in settlement of the Share Units.

4.8 Resignation or Termination

Notwithstanding Sections 4.6 and 4.7, and subject to any written resolution passed by the Board or Committee, if any Participant shall cease to hold the position or positions of director, officer, employee or consultant of the Corporation or any subsidiaries (as the case may be) for any reason other than death or Disability, then all Share Units granted to the Participant under the Plan that have not yet vested within 90 days after the date such Participant ceases to hold the position or positions of director, officer, employee or consultant of the Corporation or any subsidiaries as the case may be, shall terminate without payment and shall be of no further force or effect. 4.11 Adjustments to Share Units

In the event of any subdivision, consolidation, stock dividend, capital reorganization, reclassification, exchange, or other change with respect to the Shares, or a consolidation, amalgamation, merger, spin-off, sale, lease or exchange of all or substantially all of the property of the Corporation or other distribution of the Corporation's assets to shareholders (other than the payment of dividends in respect of the Shares as contemplated by Section 4.5), the account of each Participant and the Share Units outstanding under the Plan shall be adjusted in such manner, if any, as the Board may in its discretion, subject to approval by the TSXV, deem appropriate to preserve, proportionally, the interests of Participants under the Plan.

"Black-Out Period" means the period of time when, pursuant to any policies of the Corporation, any securities of the Corporation may not be traded by certain persons as designated by the Corporation, including any holder of a Share Unit.

ARTICLE 5 GENERAL

5.1 Amendment, Suspension, or Termination of Plan

- (a) Subject to Sections 5.1(b) and 5.1(c) below and to the rules and policies of any stock exchange on which the Shares are listed and applicable law, the Board may, without notice or shareholder approval, at any time or from time to time, amend, suspend or terminate the Plan or awards granted hereunder for any purpose which, in the good faith opinion of the Board, may be expedient or desirable, including making such amendments to the Plan to comply with rules and policies of any stock exchange on which the Shares are listed.
- (b) Notwithstanding Section 5.1(a) but subject to 5.1(f), the Board shall not alter or impair any rights or increase any obligations with respect to a Share Unit previously granted under the Plan without the consent of the Participant.

 - (iii) amendments that would extend the Distribution Date of any Share Units held by Insiders beyond the original Final Date of the Share Units;

Such amendments shall require the approval of the disinterested holders of the Corporation's Shares by ordinary resolution.

- (d) If the Board terminates or suspends the Plan, no new Share Units will be credited to the account of a Participant. Previously credited Share Units whether or not vested, may, at the Board's election, be accelerated (if unvested) and/or Shares issuable in respect of such Share Unit may be distributed to Participants or may remain outstanding. In the event that a Share Unit remains outstanding following a suspension or termination of the Plan, such Share Unit shall not be entitled to Dividend Equivalents unless at the time of termination or suspension the Board determines that the entitlement to Dividend Equivalents after termination or during suspension, as applicable, should be continued.
- (e) The Board shall not require the consent of any affected Participant in connection with a termination of the Plan in which the vesting of all Share Units held by the Participant are accelerated and the Payment Shares are issued to the Participant in respect of all such Share Units.
- (f) The Plan will terminate on the date upon which no further Share Units remain outstanding.

5.2 Compliance with Laws/U.S. Tax Matters

The administration of the Plan shall be subject to and made in conformity with all applicable laws and any regulations of a duly constituted regulatory authority. If at any time the Board determines that the listing, registration or qualification of the Shares subject to the Share Unit upon any securities exchange or under any provincial, state, federal or other applicable law, or the consent or approval of any governmental body, securities exchange, or the holders of the Shares generally, is necessary or desirable, as a condition of, or in connection with, the granting of such Share Units or the issue of Shares thereunder, no such Share Unit may be awarded or exercised in whole or in part unless such listing, registration, qualification, consent or approval shall have been effected or obtained free of any conditions not acceptable to the Board.

The Share Units awarded to Participants who are U.S. Taxpayers are intended to be exempt from Section 409A of the United States Internal Revenue Code and the provisions of this Plan shall be interpreted consistent with that intent.

5.3 Reorganization of the Corporation

The existence of any Share Units shall not affect in any way the right or power of the Corporation or its shareholders to make or authorize any adjustment, recapitalization, reorganization or other change in the Corporation's capital structure or its business, or to create or issue any bonds, debentures, shares or other securities of the Corporation or to amend or modify the rights and conditions attaching thereto or to effect the dissolution or liquidation of the Corporation, or any amalgamation, combination, merger or consolidation involving the Corporation or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar nature or otherwise.

5.4 Assignment

Rights and obligations under the Plan may be assigned by the Corporation to a successor in the business of the Corporation, any Corporation resulting from any amalgamation, reorganization, combination, merger or arrangement of the Corporation, or any Corporation acquiring all or substantially all of the assets or business of the Corporation.

The Corporation does not assume responsibility for the personal income tax liability or other tax consequences for the Participants and they are advised to consult with their own tax advisors.

5.7 No Shareholder Rights

Under no circumstances shall Share Units be considered Shares or other securities of the Corporation, nor shall they entitle any Participant to exercise voting rights or any other rights attaching to the ownership of Shares or other securities of the Corporation, nor shall any Participant be considered the owner of Shares by virtue of the award of Share Units. A Participant will acquire rights to Shares in respect of Share Units only upon the allotment and issuance to the Participant of certificates representing such Shares.

The number of Shares issuable upon payment of any award granted under this Plan will be rounded down to the nearest whole number of Shares. No payment or other adjustment will be made with respect to the fractional Share so disregarded.

5.9 Unfunded and Unsecured Plan

Unless otherwise determined by the Board, the Plan shall be unfunded, and the Corporation will not secure its obligations under the Plan. To the extent any Participant or his or her estate holds any rights by virtue of a grant of Share Units under the Plan, such rights (unless otherwise determined by the Board) shall be no greater than the rights of an unsecured creditor of the Corporation.

5.10 Market Fluctuations

No amount will be paid to, or in respect of, a Participant under the Plan to compensate for a downward fluctuation in the price of Shares, nor will any other form of benefit be conferred upon, or in respect of, a Participant for such purpose. The Corporation makes no representations or warranties to Participants with respect to the Plan or the Shares whatsoever. In seeking the benefits of participation in the Plan, a Participant agrees to accept all risks associated with a decline in the market price of Shares.
