MANAGEMENT INFORMATION CIRCULAR

FOR THE ANNUAL GENERAL AND SPECIAL MEETING OF THE HOLDERS OF COMMON SHARES OF STERLING RESOURCES LTD. TO BE HELD ON MAY 30, 2018

Dated: April 30, 2018

PURPOSE OF SOLICITATION

This management information circular (the "Information Circular") is furnished in connection with the solicitation of proxies by or on behalf of the management of Sterling Resources Ltd. (the "Corporation") for use at the annual general and special meeting of the holders (the "Shareholders") of the common shares (the "Common Shares") in the capital of the Corporation to be held in the Clarkson & Tétrault Boardroom at the offices of McCarthy Tétrault LLP, Suite 4000, 421 - 7th Avenue S.W., Calgary, Alberta T2P 4K9, on May 30, 2018 at 10:00 a.m. (Calgary time), and any adjournment or adjournments thereof (the "Meeting") for the purposes set forth in the Notice of Annual General and Special Meeting (the "Notice of Meeting") accompanying this Information Circular.

RECORD DATE

The Shareholders of record on April 27, 2018 (the "Record Date") are entitled to notice of, and to attend and vote at, the Meeting except to the extent that:

1. such person transfers his or her Common Shares after the Record Date; and
2. the transferee of those Common Shares produces properly endorsed share certificates or otherwise establishes his or her ownership to the Common Shares and makes a demand to the registrar and transfer agent of the Corporation, not later than 10 days before the Meeting, that his or her name be included on the shareholders' list for the Meeting.

Any registered Shareholder of the Corporation at the close of business on the Record Date who either personally attends the Meeting or who completes and delivers a proxy will be entitled to vote or have his or her Common Shares voted at the Meeting. However, a person appointed under a form of proxy will be entitled to vote the Common Shares represented by that form only if it is effectively delivered in the manner set out under the heading "*Completion of Proxies*".

PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies is made on behalf of the management of the Corporation. The costs incurred in the preparation of the enclosed form of proxy (the "Form of Proxy"), Notice of Meeting and this Information Circular and costs incurred in the solicitation of proxies will be borne by the Corporation. Solicitation of proxies will be primarily by mail, but may also be in person, by telephone or by electronic means. The Corporation is not relying on the notice-and-access provisions of National Instrument 54-101 – *Communications with Beneficial Owners of Securities of a Reporting Issuer* to send proxy-related materials to registered Shareholders or beneficial owners of Common Shares in connection with the Meeting.

Completion of Proxies

The Form of Proxy affords Shareholders or intermediaries an opportunity to specify that the Common Shares registered in their name shall be voted for or against or withheld from voting in respect of certain matters as specified in the accompanying Notice of Meeting.

The persons named in the enclosed Form of Proxy are the President and Chief Executive Officer and the Executive Vice President and Chief Financial Officer, respectively, of the Corporation.

A REGISTERED SHAREHOLDER OR AN INTERMEDIARY HOLDING COMMON SHARES ON BEHALF OF AN UNREGISTERED SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON, WHO NEED NOT BE A SHAREHOLDER, TO ATTEND AND ACT ON THEIR BEHALF AT THE MEETING, IN THE PLACE OF THE PERSONS DESIGNATED IN THE FORM OF PROXY FURNISHED BY THE CORPORATION. TO EXERCISE THIS RIGHT, THE SHAREHOLDER OR INTERMEDIARY SHOULD STRIKE OUT THE NAMES OF THE PERSONS NAMED IN THE FORM OF PROXY AND INSERT THE NAME OF THEIR NOMINEE IN THE BLANK SPACE PROVIDED, OR SUBMIT ANOTHER APPROPRIATE PROXY.

A proxy must be dated and signed by the registered Shareholder or by his or her attorney authorized in writing or by the intermediary. In the case of a Shareholder that is a corporation, the proxy must be executed under its corporate seal or signed by a duly authorized officer or attorney for the corporation with proof of authority accompanying the proxy.

In order to be effective, the proxy, together with the power of attorney or other authority, if any, under which it was signed or a notarial certified copy thereof, must be mailed or completed online at www.investorvote.com so as to be deposited at the office of the Corporation's agent, Computershare Trust Company of Canada, 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, not later than 4:00 p.m. (Calgary time) on the second last business day preceding the day of the Meeting or any adjournment thereof or deposited with the Chairman of the Meeting on the day of the Meeting prior to the commencement of the Meeting. No instrument appointing a proxy shall be valid after the expiration of 12 months from the date of its execution. If a proxy is not dated, it will be deemed to bear the date on which it was mailed by management of the Corporation.

Appointment and Revocation of Proxies

A Shareholder or intermediary who has submitted a proxy may revoke it by instrument in writing executed by the Shareholder or intermediary or his or her attorney authorized in writing, or, if the Shareholder is a corporation, under its corporate seal and executed by a director, officer or attorney thereof duly authorized, and deposited either: (a) with the Corporation at its offices or at the office of the Corporation's agent, Computershare Trust Company of Canada, at any time prior to 4:00 p.m. (Calgary time) on the second last business day preceding the day of the Meeting, or any adjournment thereof, at which the proxy is to be used; or (b) with the Chairman of the Meeting prior to the commencement of the Meeting on the day of the Meeting, and upon such deposit the previous proxy is revoked.

Exercise of Discretion by Proxies

A Shareholder or intermediary may indicate the manner in which the persons named in the enclosed Form of Proxy are to vote with respect to any matter by checking the appropriate space. On any poll, those persons will vote or withhold from voting the Common Shares in respect of which they are appointed in accordance with the directions, if any, given in the Form of Proxy. If the Shareholder or intermediary wishes to confer a discretionary authority with respect to any matter, the space should be left blank. **IN SUCH INSTANCE, THE PERSONS NAMED IN THE ENCLOSED FORM OF PROXY INTEND TO VOTE THE COMMON SHARES REPRESENTED BY THE PROXY IN FAVOUR OF THE MOTION.**

The enclosed Form of Proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting. At the time of printing of this Information Circular, management of the Corporation knows of no such amendment, variation or other matter. However, if any

other matters which are not now known to management should properly come before the Meeting, the proxies in favour of management nominees will be voted on such matters in accordance with the best judgment of the management nominees.

Advice to Beneficial Holders of Securities

The information set forth in this section is of significant importance to many investors who do not own Common Shares in their own name (“**Beneficial Shareholders**”). Beneficial Shareholders should note that only proxies deposited by Shareholders whose names appear on the records of the Corporation as the registered holders of Common Shares can be recognized and acted upon at the Meeting. If Common Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Common Shares will not be registered in the Shareholder’s name on the records of the Corporation. Such Common Shares will more likely be registered under the name of the Shareholder’s broker or an agent of that broker. In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which acts as nominee for many Canadian brokerage firms). Common Shares held by brokers or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting shares for their clients. Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their Common Shares are communicated to the appropriate individuals.

In accordance with applicable securities law requirements, the Corporation will have distributed copies of the Notice of Meeting, Form of Proxy and this Information Circular (the “**Meeting Materials**”) to the intermediaries for distribution to Beneficial Shareholders. Intermediaries are required to forward the Meeting Materials to Beneficial Shareholders unless a Beneficial Shareholder has waived the right to receive them. Intermediaries often use service companies to forward the Meeting Materials to Beneficial Shareholders.

Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of securityholders meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of that broker) is typically similar to the Form of Proxy provided to registered Shareholders by the Corporation. However, the purpose of the broker’s form of proxy is limited to instructing the registered Shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”). Broadridge typically asks Beneficial Shareholders to return voting instruction forms to Broadridge. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting voting of Common Shares to be represented at the Meeting. **A Beneficial Shareholder receiving a Broadridge voting instruction form cannot use that voting instruction form to vote Common Shares directly at the Meeting. The Broadridge voting instruction form must be returned to Broadridge well in advance of the Meeting in order to have the Common Shares voted.**

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of the Beneficial Shareholder’s broker (or agent of the broker), a Beneficial Shareholder may attend the Meeting as proxyholder for the registered Shareholder and vote such Common Shares in that capacity. Beneficial Shareholders who wish to attend at the Meeting and indirectly vote their Common Shares as proxyholder for the registered Shareholder should enter their own names in the blank space on the instrument of proxy provided to them and return the same to their broker (or the broker’s agent) in accordance with the instructions provided by such broker (or agent) well in advance of the Meeting.

Management does not intend to pay for intermediaries to forward proxy solicitation materials to Beneficial Shareholders who have objected to their intermediary/broker disclosing ownership information about them pursuant to applicable securities laws (“**Objecting Beneficial Shareholders**”). Consequently, an Objecting Beneficial Shareholder will not receive the proxy solicitation materials unless the Objecting Beneficial Shareholder’s intermediary/broker assumes the cost of delivery. The Corporation is not using

“notice and access” to send its proxy related materials to Shareholders, and paper copies of such materials will be sent to all Shareholders. The Corporation will not send proxy related materials directly to non-objecting Beneficial Shareholders as such materials will be delivered to non-objecting Beneficial Shareholders through their intermediaries.

If you have any questions respecting the voting of Common Shares held through an intermediary, please contact that intermediary for assistance.

INFORMATION CONCERNING THE CORPORATION

The Corporation was incorporated pursuant to the provisions of the *Companies Act* (Alberta) on August 31, 1979 as “Peoples Oil Limited”. The Corporation was continued pursuant to articles of continuance under Section 261 of the *Business Corporations Act* (Alberta) (the “**ABCA**”) on July 8, 1982. The Corporation changed its name to “Sterling Resources Ltd.” on February 10, 1997.

On December 18, 2017, the Corporation completed a reverse take-over by way of a statutory plan of arrangement (the “**Arrangement**”) with PetroTal Ltd (“**PetroTal**”) under the ABCA, pursuant to which, among other things, the Corporation: (a) acquired all of the issued and outstanding shares of PetroTal; (b) amalgamated with PetroTal and continued as one corporation under the name “Sterling Resources Ltd.”; and (c) the board of directors of the Corporation (the “**Board**”) was reconstituted to include the director nominees described in this Information Circular.

The Corporation is a reporting issuer in British Columbia, Alberta, Saskatchewan, Manitoba, Ontario, New Brunswick, Nova Scotia, Prince Edward Island and Newfoundland. The Common Shares are listed on the TSX Venture Exchange (the “**TSXV**”) under the trading symbol “SLG”.

VOTING OF COMMON SHARES AND PRINCIPAL HOLDERS THEREOF

The Corporation is authorized to issue an unlimited number of Common Shares without nominal or par value. As at the date hereof, there are 537,740,991 fully paid and non-assessable Common Shares issued and outstanding. The holders of the Common Shares are entitled to receive notice of all meetings of Shareholders and to attend and vote the Common Shares at all such meetings. Each Common Share carries with it the right to one vote.

The bylaws of the Corporation provide that if two persons holding not less than 10% of the issued Common Shares entitled to vote are present in person or are represented by proxy, a quorum for the purposes of conducting a shareholders meeting is constituted.

Any registered Shareholder at the close of business on April 27, 2018, being the Record Date, who either personally attends the Meeting or who completes and delivers a proxy will be entitled to vote or have his or her Common Shares voted at the Meeting. However, a person appointed under a form of proxy will be entitled to vote the Common Shares represented by that form only if it is effectively delivered in the manner set out under the heading “*Completion of Proxies*”.

To the best of the knowledge of the directors and executive officers of the Corporation, as at the date hereof, the following persons or companies beneficially owned, directly or indirectly, or exercised control or direction over, voting securities of the Corporation carrying more than 10% of the voting rights attached to the shares of the Corporation:

Name	Number of Common Shares Held	Percentage of Total Issued and Outstanding Common Shares
Gran Tierra Resources Limited <i>Calgary, Alberta</i>	246,100,000	45.8%
Meridian Capital International Fund <i>Hong Kong</i>	60,666,411	11.3%

MATTERS TO BE CONSIDERED AT THE MEETING

The Shareholders of the Corporation will be asked to consider and, if deemed appropriate:

- (a) by ordinary resolution, to fix the Board at six members;
- (b) by ordinary resolution, to elect the directors of the Corporation;
- (c) by ordinary resolution, to appoint auditors for the ensuing year and to authorize the directors of the Corporation to fix their remuneration;
- (d) by ordinary resolution, to approve a new stock option plan of the Corporation (the “**Stock Option Plan**”) for the ensuing year;
- (e) by ordinary resolution, to approve a new performance and restricted share unit plan of the Corporation (the “**PRSU Plan**”) for the ensuing year;
- (f) by special resolution, to approve the change of the name of the Corporation to “PetroTal Corp.”;
- (g) by special resolution, to approve a consolidation of the Common Shares on the basis of between four (4) and eight (8) pre-consolidation Common Shares for each one post-consolidation Common Share; and
- (h) to transact such other business as may properly come before the Meeting or any adjournments thereof.

Additional detail regarding each of the matters to be acted on at the Meeting is contained below.

FIXING NUMBER OF DIRECTORS

At the Meeting, it is proposed that the number of directors to be elected at the Meeting to hold office until the next annual meeting or until their successors are elected or appointed, subject to the articles of the Corporation, be set at six. **Unless otherwise directed, it is the intention of management to vote proxies in the accompanying form in favour of setting the number of directors to be elected at the Meeting at six.**

ELECTION OF DIRECTORS

Action is to be taken at the Meeting with respect to the election of directors. The Shareholders will be asked to pass an ordinary resolution at the Meeting to elect, as directors, the nominees whose names are set forth in the table below. Voting for the election of nominees will be conducted on an individual, and not on a slate, basis. Each nominee elected will hold office until the next annual meeting of the Shareholders or until his successor is duly elected or appointed, unless his office is vacated earlier in accordance with the Corporation’s articles.

Any Shareholder who wishes to nominate an additional director can do so by submitting to the Corporate Secretary of the Corporation the information required by the advance notice provisions in the Corporation’s bylaws, including the nominees’ names, backgrounds, qualifications and experience. The advance notice provisions require that a Shareholder give the Corporation advance notice of any proposal to nominate directors for election to the Board. If a nomination is to be presented at an annual meeting of Shareholders, the notice must be given between 30 and 65 days in advance of the meeting; provided that if the annual meeting is to be held less than 50 days after the Corporation announces the meeting date, the notice must, in those circumstances, be given within 10 days of the meeting announcement. If a nomination is to be presented at a special meeting of Shareholders (that is not also an annual meeting) where one of the items of business is the election of directors, then the notice must be given within 15 days of the meeting announcement. No person nominated by a Shareholder will be eligible for election as a director of the Corporation unless nominated in accordance with the advance

notice provisions. The Board may, in its sole discretion, waive any requirement of the advance notice provisions. A copy of the advance notice provisions is included in to the amended management information circular of the Corporation dated May 9, 2013 (a copy of which is available under the Corporation's profile on the SEDAR website at www.sedar.com).

The Corporation is required by applicable corporate legislation to have an Audit Committee comprised of members of the Board that are considered "financially literate" and a majority of which are considered "independent", as such terms are defined in National Instrument 52-110 – *Audit Committees* ("NI 52-110"). The Corporation has also established: (a) a Corporate Governance and Compensation Committee; (b) a Reserves Committee; and (c) a Health, Safety, Environment and Social Committee, each comprised of members of the Board. Please see the discussion under the heading "*Corporate Governance Practices*". The present members of each committee of the Board are identified in the table below.

The following information relating to the nominees as directors is based partly on the records of the Corporation and partly on information received by the Corporation from the respective nominees, and sets forth the name and municipality of residence of the persons proposed to be nominated for election as directors, all other positions and offices within the Corporation now held by them, their principal occupations or employments, the periods during which they have served as directors of the Corporation and the number of Common Shares beneficially owned, directly or indirectly, or over which control or direction is exercised by each of them as at the date hereof.

Except as provided herein, none of the above proposed directors are, or within 10 years prior to the date of this Information Circular have been, a director or executive officer of any company that, while acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets.

Manuel Pablo Zúñiga-Pflucker

Mr. Zúñiga was an officer of BPZ, a corporation engaged in exploration, development and production of oil and gas in Peru. BPZ filed a voluntary petition for reorganization relief under Chapter 11 of the United States Bankruptcy Code on March 9, 2015.

Douglas C. Urch

Mr. Urch was a director of Underground Energy Corporation ("**Underground Canada**") when, as a result of Underground Canada's failure to file its year-end and interim financial statements and related management's discussion and analysis, the British Columbia Securities Commission issued a cease trade order on all of the securities of Underground Canada on July 4, 2013 and the TSXV suspended trading of Underground Canada's shares. The cease trade order and trading suspension remain in effect.

Mr. Urch was a director of Underground Energy, Inc. Penalties or Sanctions

None of the above proposed directors have been subject to any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority, or have entered into a settlement agreement with a securities regulatory authority, or any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable securityholder in deciding whether to vote for a proposed director.

In the absence of contrary instructions, the persons named in the accompanying Form of Proxy intend to vote the Common Shares represented thereby in favour of the election to the Board of those persons designated above as nominees for election as directors. The Board does not contemplate that any of such nominees will be unable to serve as a director. However, if for any reason any of the proposed nominees do not stand for election or are unable to serve as such, proxies in favour of management designees will be voted for another nominee in their discretion, unless the Shareholder has specified in his proxy that his Common Shares are to be withheld from voting on the election of directors.

APPOINTMENT OF AUDITORS

On January 22, 2018, in connection with the Arrangement, Deloitte LLP of London, England (“**Deloitte UK**”) resigned as auditors of the Corporation. There was no reportable disagreement between the Corporation and Deloitte UK and no qualified opinion or denial of opinion by Deloitte UK within the meaning of National Instrument 51-102 – *Continuous Disclosure Obligations*. On January 22, 2018, the Board approved the appointment of Deloitte LLP, Calgary, Alberta (“**Deloitte Canada**”) as successor auditors to fill the vacancy created by Deloitte UK.

The Shareholders will be asked to pass an ordinary resolution at the Meeting to appoint Deloitte Canada as auditors of the Corporation, to hold office until the next annual meeting of the Shareholders, at such remuneration to be determined by the Board.

In the absence of contrary instructions, the persons named in the accompanying Form of Proxy intend to vote the Common Shares represented thereby in favour of the appointment of Deloitte Canada as auditors of the Corporation.

A summary of the terms of the Stock Option Plan is included under the heading “*Executive Compensation – Stock Option Plan*” in this Information Circular.

The TSXV requires all listed companies with 10% rolling security-based compensation plans to obtain annual shareholder approval of such plans. The Board believes that the passing of the following resolution is in the best interests of the Corporation and recommends that Shareholders vote in favour of the resolution.

3. any one director or officer of the Corporation be and the same is hereby authorized and directed for and in the name of and on behalf of the Corporation to execute or cause to be executed, whether under corporate seal of the Corporation or otherwise, and to deliver or cause to be delivered all such documents, and to do or cause to be done all such acts and things, as in the opinion of such director or officer may be necessary or desirable in order to carry out the terms of this resolution, such determination to be conclusively evidenced by the execution and delivery of such documents or the doing of any such act or thing.”

In the absence of contrary instructions, the persons named in the accompanying Form of Proxy intend to vote the Common Shares represented thereby in favour of the approval of the Stock Option Plan.

APPROVAL OF PERFORMANCE AND RESTRICTED SHARE UNIT PLAN

2. the form of PRSU Plan may be amended in order to satisfy the requirements or requests of any regulatory authorities without requiring further approval of the shareholders of the Corporation; and
3. any one director or officer of the Corporation be and the same is hereby authorized and directed for and in the name of and on behalf of the Corporation to execute or cause to be executed, whether under corporate seal of the Corporation or otherwise, and to deliver or cause to be delivered all such documents, and to do or cause to be done all such acts and things, as in the

opinion of such director or officer may be necessary or desirable in order to carry out the terms of this resolution, such determination to be conclusively evidenced by the execution and delivery of such documents or the doing of any such act or thing.”

In the absence of contrary instructions, the persons named in the accompanying Form of Proxy intend to vote the Common Shares represented thereby in favour of the approval of the PRSU Plan Plan.

CHANGE OF NAME

At the Meeting, Shareholders will be asked to consider and, if thought appropriate, pass a special resolution authorizing the change of the name of the Corporation to “PetroTal Corp.” (the “**Name Change**”).

Prior to the Arrangement, PetroTal LLC actively pursued opportunities in Latin America, specifically Peru, since inception in 2016. The Corporation’s management team is known by local officials and counterparties in Peru as PetroTal and the management team believes the name has value in the country.

The Name Change will not affect the validity of currently outstanding share certificates of the Corporation or the trading of the Common Shares. Shareholders will not be required to surrender or exchange any of the Corporation’s share certificates that they currently hold.

Pursuant to section 173(1)(a) of the ABCA, the Name Change must be approved by a special resolution of Shareholders. Accordingly, to be adopted, the special resolution must be approved by at least two-thirds of the votes cast at the Meeting by Shareholders in person or represented by proxy. At the Meeting, Shareholders will be asked to consider, and if thought appropriate, pass the following special resolution:

“BE IT RESOLVED AS A SPECIAL RESOLUTION THAT:

1. the Corporation is authorized to file articles of amendment pursuant to section 173(1)(a) of the *Business Corporations Act* (Alberta) (the “**ABCA**”) to change its name to “PetroTal Corp.”;
2. any director or officer of the Corporation is authorized and directed for and in the name of and on behalf of the Corporation to execute and deliver or cause to be delivered articles of amendment to the Registrar under the ABCA and to execute and deliver or cause to be delivered all documents and to take any action which, in the opinion of that person, is necessary or desirable to give effect to this special resolution;
3. notwithstanding that this special resolution has been duly passed by the holders of the Common Shares, the directors of the Corporation may in their sole discretion revoke this special resolution in whole or in part at any time prior to its being given effect without further notice to, or approval of, the holders of the Common Shares; and
4. any one director or officer of the Corporation be and the same is hereby authorized and directed for and in the name of and on behalf of the Corporation to execute or cause to be executed, whether under corporate seal of the Corporation or otherwise, and to deliver or cause to be delivered all such documents, and to do or cause to be done all such acts and things, as in the opinion of such director or officer may be necessary or desirable in order to carry out the terms of this resolution, such determination to be conclusively evidenced by the execution and delivery of such documents or the doing of any such act or thing.”

In the absence of contrary instructions, the persons named in the accompanying Form of Proxy intend to vote the Common Shares represented thereby in favour of the Name Change.

SHARE CONSOLIDATION

At the Meeting, Shareholders will be asked to approve a special resolution authorizing the consolidation of the Common Shares into a lesser number of issued Common Shares. The special resolution will authorize the Board to: (a) select a consolidation ratio of between four (4) and eight (8) pre-Consolidation Common Shares for each one post-Consolidation Common Share; and (b) file articles of amendment giving effect to the Consolidation at the selected ratio (the “**Consolidation**”).

As of the date of this Information Circular, the Corporation has 537,740,991 Common Shares issued and outstanding. The Corporation has experienced a significant increase in its share count as a result of the completion of: (a) the Arrangement; and (b) the acquisition of all the issued and outstanding common shares of Gran Tierra Energy International (Peru) Holdings B.V., an indirect wholly-owned subsidiary of Gran Tierra Energy Inc. on December 18, 2017 and wishes to reduce the outstanding share amount to a level more in keeping with its industry peers.

If approved and implemented, the Consolidation will occur simultaneously for all of the Corporation’s issued and outstanding Common Shares and the consolidation ratio will be same for all such Common Shares. The Consolidation will affect all holders of Common Shares uniformly and will not affect any Shareholder’s percentage ownership interest in the Corporation, except to the extent that the Consolidation would otherwise result in a Shareholder owning a fractional Common Share. No fractional post-Consolidation Common Shares will be issued and no cash will be paid in lieu of fractional post-Consolidation Common Shares. Any fractional Common Shares resulting from the Consolidation will be rounded to the nearest whole Common Share with fractions equal to 0.5 being rounded up to the nearest whole Common Share.

The Corporation currently has an unlimited number of Common Shares available for issuance and the Consolidation will not have any effect on the number of Common Shares that remain available for future issuance. The exercise or conversion price and the number of Common Shares issuable under any convertible securities of the Corporation, including 23,540,000 performance warrants to purchase Common Shares and 2,086,000 warrants to purchase Common Shares currently allocated and outstanding, will be proportionately adjusted upon the completion of the Consolidation.

The Consolidation is subject to: (a) receipt of all required regulatory approvals; and (b) the approval of the Consolidation by the Shareholders at the Meeting. If these approvals are received, the Consolidation will occur at a time determined by the Board and announced by a press release of the Corporation. Notwithstanding approvals being received, the Board may determine not to proceed with the Consolidation, at its discretion.

Pursuant to section 173(1)(f) of the ABCA, the Consolidation must be approved by a special resolution of Shareholders. Accordingly, to be adopted, the special resolution must be approved by at least two-thirds of the votes cast at the Meeting by Shareholders in person or represented by proxy. At the Meeting, Shareholders will be asked to consider, and if thought appropriate, pass the following special resolution:

“BE IT RESOLVED AS A SPECIAL RESOLUTION THAT:

1. the Corporation is authorized to file articles of amendment pursuant to section 173(1)(f) of the *Business Corporations Act* (Alberta) (the “**ABCA**”) to change the number of issued and outstanding common shares (“**Common Shares**”) in the capital of the Corporation by consolidating the issued and outstanding Common Shares on the basis of a ratio to be selected by the board of directors of the Corporation (the “**Board**”) between four (4) and eight (8) pre-consolidation Common Shares for each one post-consolidation Common Share (the “**Consolidation**”) or for such other lesser whole or fractional number of existing Common Shares that the directors, in their sole discretion, determine to

be appropriate, and in the event that the Consolidation would otherwise result in a holder of Common Shares holding a fraction of a Common Share, any fractional interest in Common Shares that is less than 0.5 of a Common Share resulting from the Consolidation will be rounded down to the nearest whole Common Share and any fractional interest in Common Shares that is 0.5 or greater of a Common Share will be rounded up to the nearest whole Common Share, such amendment to become effective at a date in the future to be determined by the Board when the Board considers it to be in the best interests of the Corporation to implement such a Consolidation, but in any event not later than the business day immediately prior to the Corporation's next annual general meeting, subject to approval of the TSX Venture Exchange;

2. any director or officer of the Corporation is authorized and directed for and in the name of and on behalf of the Corporation to execute and deliver or cause to be delivered articles of amendment to the Registrar under the ABCA and to execute and deliver or cause to be delivered all documents and to take any action which, in the opinion of that person, is necessary or desirable to give effect to this special resolution;
3. notwithstanding that this special resolution has been duly passed by the holders of the Common Shares, the directors of the Corporation may in their sole discretion revoke this special resolution in whole or in part at any time prior to its being given effect without further notice to, or approval of, the holders of the Common Shares; and
4. any one director or officer of the Corporation be and the same is hereby authorized and directed for and in the name of and on behalf of the Corporation to execute or cause to be executed, whether under corporate seal of the Corporation or otherwise, and to deliver or cause to be delivered all such documents, and to do or cause to be done all such acts and things, as in the opinion of such director or officer may be necessary or desirable in order to carry out the terms of this resolution, such determination to be conclusively evidenced by the execution and delivery of such documents or the doing of any such act or thing."

In the absence of contrary instructions, the persons named in the accompanying Form of Proxy intend to vote the Common Shares represented thereby in favour of the Consolidation.

OTHER MATTERS COMING BEFORE THE MEETING

The Board knows of no other matters to come before the Meeting other than as referred to in the Notice of Meeting. Should any other matters properly come before the Meeting, the Common Shares represented by proxy solicited hereby will be voted on such matters in accordance with the best judgement of the person voting such proxy.

EXECUTIVE COMPENSATION

General

All currency amounts expressed herein, unless otherwise indicated, are expressed in United States dollars.

The following information relates to the Corporation's financial year ended December 31, 2017.

For the purpose of this statement of executive compensation, a "CEO" or "CFO" means each individual who served as Chief Executive Officer or Chief Financial Officer, respectively, of the Corporation or acted in a similar capacity during the most recently completed financial year. A "Named Executive Officer" or

“NEO” means: (a) each CEO, (b) each CFO, (c) the Corporation’s most highly compensated officer, other than the CEO and CFO, who was serving as an officer at the end of the most recently completed financial year and whose total compensation was more than CAD\$150,000, and (d) any additional individuals who would be a Named Executive Officer under subsection (c) but for the fact that the individual was not an executive officer of the Corporation, and was not acting in a similar capacity, at the end of the financial year.

Based on the foregoing definitions, the Corporation’s Named Executive Officers in respect of the year ended December 31, 2017 were: Manuel Pablo Zúñiga-Pflucker, President and Chief Executive Officer; Gregory E. Smith, Executive Vice President and Chief Financial Officer; John M. Rapach, former Chief Executive Officer and Chief Operating Officer; Christine Shinnie, former Chief Financial Officer; and David Davies, former Vice President, Business Development.

Compensation Philosophy, Objectives and Governance

The executive compensation program adopted by the Corporation and applied to its executive officers is designed to attract and retain qualified and experienced executives who will contribute to the success of the Corporation. The executive compensation program attempts to ensure that the compensation of the senior executive officers provides a competitive base compensation package and a strong link between corporate performance and compensation. Executive officers are motivated through the program to enhance long-term shareholder value. As at December 31, 2017, the Corporation had not established a compensation committee and did not retain, during the most recently completed financial year, a consultant or advisor to assist the Board in determining compensation for the Corporation’s directors or executive officers. On January 22, 2018, the Board established the Corporate Governance and Compensation Committee and adopted the following practices recommended by the Corporate Governance and Compensation Committee that are designed to avoid inappropriate or excessive risks:

- **Ownership Guidelines.** The Corporation has implemented share ownership guidelines (the “**Ownership Guidelines**”) for executive officers and non-executive directors of the Corporation to further align their interests with the long-term interests of Shareholders. The Ownership Guidelines require that, within three years of joining the Corporation, each executive officer or non-executive director has a minimum holding of Common Shares or Common Share equivalents, including PSUs, RSUs and DSUs, that have an aggregate value of at least: (a) three times the annual base salary for the CEO; (b) two times the annual base salary for each other officer of the Corporation; and (c) three times the amount of the annual Board retainer for each non-executive director.
- **Anti-Hedging Policy.** The Corporation has adopted a written anti-hedging policy (the “**Anti-Hedging Policy**”) that prohibits a NEO or director, among others, from purchasing financial instruments, including prepaid variable forward contracts, instruments for the short sale or purchase or sale of call or put options, equity swaps, collars, or units of exchangeable funds, that are designed to or that may reasonably be expected to have the effect of hedging or offsetting a decrease in the market value of any securities of the Corporation.

The Anti-Hedging Policy has been implemented to ensure that directors, executive officers and employees of the Corporation are prohibited from hedging or monetizing transactions in order to lock in the value of their securities of the Corporation. Examples would include the entry into prepaid variable forward contracts, instruments for the short sale or purchase or sale of call or put options, equity swaps, collars, or units of exchangeable funds that have the effect of offsetting a decrease in the market value of securities held in the Corporation.

In addition, pursuant to the Anti-Hedging Policy governing insider trading, short-term speculative trading of the Common Shares by officers, directors and employees is strongly discouraged as it conflicts with the best interests of the Corporation and its Shareholders. Consequently, insiders including the Corporation’s NEOs, directors and their related persons, are not only discouraged from frequently trading the Common Shares, but are also specifically prohibited from short selling

any Common Shares and from trading in any derivative instruments involving the Corporation's securities.

- **Clawback Policy.** The Corporation has implemented a written clawback policy (the "**Clawback Policy**") for situations where a director, executive officer or other employee receives additional incentive compensation as a result of his or her own misconduct (the "**Overpayment Amounts**"). In such situations, the director, executive officer or other employee shall be obligated to reimburse the Corporation for such Overpayment Amounts and the Board shall be given the discretion to determine the steps required to effect such recovery.

Compensation Process

The Board relies on the knowledge and experience of its members to set appropriate levels of compensation for NEOs. When determining NEO compensation, the Board uses all data available to it to ensure that such compensation is set at a level that is both commensurate with the size of the Corporation, responsibilities of the particular NEO and retention of the NEOs, who are considered by the Board to be essential to the success of the Corporation. In reviewing comparative data during the most recently completed financial year, the Board did not engage in benchmarking for the purpose of establishing compensation levels relative to any predetermined level and did not compare its compensation to a specific peer group of companies. The Board reviews the various elements of the NEOs' compensation in the context of the total compensation package (including salary, incentive bonuses and awards of stock options) and recommends the NEOs' compensation packages.

Elements of Compensation

The executive compensation program consists of three components: (a) base compensation in the form of salary; (b) incentive bonuses in the form of cash payments; and (c) subject to Shareholder approval, long-term compensation in the form of stock options, performance share units ("**PSUs**") and restricted share units ("**RSUs**"). For the Named Executive Officers, the stock option, PSU and RSU component is an essential part of their compensation. Neither the Board nor a committee thereof considered the implications of the risks associated with the Corporation's compensation policies and practices. In addition, no NEO or director of the Corporation is permitted to purchase financial instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps, collars or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation, or held, directly or indirectly, by a Named Executive Officer or director of the Corporation.

Base Compensation and Incentive Bonuses

Base compensation for executive officers of the Corporation is set annually, having regard to the individual's job responsibilities, contribution, experience and proven or expected performance, as well as to market conditions. In setting base compensation levels, consideration is to be given to such factors as level of responsibility, experience and expertise in addition to the policies of the TSXV. Subjective factors such as leadership, commitment and attitude are also to be considered.

Incentive bonuses, in the form of cash payments, are designed to add a variable component of compensation based on corporate and individual performance for executive officers.

Stock Options, PSUs and RSUs

To provide a long-term component to the executive compensation program, executive officers of the Corporation are eligible to receive stock options, PSUs and RSUs. The maximization of shareholder value is encouraged by granting stock options, PSUs and RSUs since such grants provide an incentive to eligible persons to further the development, growth and profitability of the Corporation. Consideration will be given to granting stock options, PSUs and RSUs amongst the various organizational levels of management, including directors, officers and certain consultants. The CEO makes recommendations to the Board for the CFO and other key employees. These recommendations are to take into account factors, such as awards made in previous years, the number of stock options, PSUs and RSUs

outstanding per individual and the level of responsibility. The Board, as a whole, determines the stock options, PSUs and RSUs to be issued to the CEO. See “*Stock Option Plan*” and “*PRSU Plan*”, below, for more details.

Pension Plan Benefits

Following the completion of the Arrangement on December 18, 2017, the Corporation does not have a pension plan or provide any benefits following or in connection with retirement.

Summary of Directors' Compensation

The directors of the Corporation are entitled to receive compensation for services in their capacity as directors. Members of the Board of Directors are entitled to be reimbursed for all reasonable expenses incurred to attend meetings. In addition, the Stock Option Plan and the PRSU Plan allow for the grant of options and Share Units, respectively, to directors.

On April 30, 2018, the Board approved the adoption of a plan (the “**DSU Plan**”) to grant deferred share units (“**DSUs**”) to non-employee directors. No Common Shares will be issued under the DSU Plan; all DSUs granted are settled in cash. DSUs vest on the date they are granted but directors are only entitled to receive the value of the DSUs once they cease to be a director of the Corporation. As further described below, the DSU Plan provides for a cash payment equal to the closing price of the Common Shares on the trading day prior to payment multiplied by the number of notional Common Shares underlying the DSUs held by a director after such director ceases to be a director of the Corporation. In addition to providing for the grant of DSUs to non-employee directors, non-employee directors also have the option to elect to receive DSUs in lieu of receiving their annual cash retainers.

Deferred Share Unit Plan

The purpose of the DSU Plan is to: (a) promote a proprietary interest in the Corporation and a greater alignment between non-employee directors of the Corporation and Shareholders; (b) provide a compensation system for directors that is reflective of the responsibilities, commitments and risks accompanying the role of a director; and (c) assist the Corporation in attracting experienced individuals to serve as directors.

The DSU Plan is administered by the Board, which has the authority to grant DSU awards under the DSU Plan to non-employee directors. The DSU Plan may be amended, suspended or terminated at any time by the Board. The DSUs granted thereunder are not transferable or assignable except in the case of death.

No Common Shares will be issued under the DSU Plan; all DSUs granted are settled in cash. DSUs vest on the date they are granted but directors are only entitled to receive the value of the DSUs once they cease to be a director of the Corporation. Under the DSU Plan, directors may elect to receive up to 100% of their annual retainer in the form of DSUs.

The cash payment to be received will be equal to the number of DSUs held by the director on the date the director ceased to be a director after giving effect to adjustments for dividends, multiplied by the closing price of the Common Shares on the TSXV on the trading day immediately prior to the date the payment is to be made, less all applicable withholding taxes.

Under no circumstances shall DSUs be considered Common Shares or other securities of the Corporation, nor shall they entitle any participant to exercise voting rights or any other rights attaching to the ownership of Common Shares or other securities of the Corporation, including, without limitation, voting rights, dividend entitlement rights or rights on liquidation, nor shall any participant be considered the owner of Common Shares by virtue of an award of DSUs. Notwithstanding the foregoing, and without conferring any rights as Shareholders to the holders thereof, DSUs held by directors are included in calculating achievement of share ownership guidelines.

For further information on compensation paid to the non-employee directors of the Corporation, see “*Director Compensation Table*” below. For a description of the compensation paid to Manuel Pablo Zúñiga-Pflucker, a director and the President and Chief Executive Officer of the Corporation, see “*Summary Compensation Table*” above.

Stock Option Plan

Pursuant to the policies of the TSXV, the Corporation is permitted to have "rolling" equity-based compensation arrangements. On April 30, 2018, the Board approved the Stock Option Plan, attached hereto as Schedule A, pursuant to which options to purchase Common Shares may be granted to directors, officers, employees and consultants of the Corporation. At the Meeting, Shareholders will be asked to vote on a resolution to approve the Stock Option Plan for the ensuing year. There are currently no stock options outstanding under the Stock Option Plan.

Description of the Stock Option Plan

The purposes of the Stock Option Plan are: (a) to provide directors, officers, employees and consultants of the Corporation an incentive to achieve the longer-term objectives of the Corporation; (b) to give suitable recognition to the ability and industry of such persons who contribute materially to the success of the Corporation; and (c) to attract and retain in the employ of the Corporation or any of its subsidiaries, persons of experience and ability by providing them with the opportunity to acquire an increased proprietary interest in the Corporation.

Eligibility

The Stock Option Plan provides for the granting of stock options to purchase Common Shares to directors, officers, employees and consultants of the Corporation or any of its subsidiaries.

Administration

The Stock Option Plan is administered by the Board and the Board may, subject to applicable law, delegate its powers to administer the Stock Option Plan to a committee of the Board. Options may be granted at the discretion of the Board, in such number that may be determined at the time of grant, subject to the limits set out in the Stock Option Plan. Previous grants will be taken into account when considering new grants.

Exercise Price

The exercise price of stock options granted under the Stock Option Plan will be fixed by the Board at the time of grant, provided that the exercise price shall be not less than the discounted market price of the Common Shares in accordance with the policies of the TSXV.

Maximum Percentage of Common Shares Reserved

The aggregate number of Common Shares that may be issued pursuant to the exercise of options awarded under the Stock Option Plan and all other security-based compensation arrangements of the Corporation, including the PRSU Plan, is 10% of the Common Shares outstanding from time to time (on a non-diluted basis), subject to the following limitations:

- (a) the aggregate number of Common Shares reserved for issuance to any one person under the Stock Option Plan, within a 12 month period, must not exceed 5% of the issued and outstanding Common Shares (on a non-diluted basis);
- (b) the aggregate number of Common Shares reserved for issuance to any single consultant under the Stock Option Plan within a 12 month period, shall not exceed 2% of the issued and outstanding Common Shares; and
- (c) the aggregate number of Common Shares reserved for issuance to any one participant employed to provide investor relations activities (as defined in the Stock Option Plan) within a 12 month period, must not exceed 2% of the issued and outstanding Common Shares.

Transferability

The stock options are not assignable or transferable by a participant, except for a limited right of assignment in the event of the death of the participant.

Term and Vesting

The term of the options granted shall be determined by the Board in its discretion, to a maximum of five years from the date of the grant of the option. The vesting period or periods within this period during which an option or a portion thereof may be exercised shall be determined by the Board. Further, the Board may, in its sole discretion at any time or in the agreement in respect of any stock options granted, accelerate, or provide for the acceleration of, vesting of stock options previously granted.

Early Expiration

Unless otherwise provided in an agreement evidencing the grant of stock options, options shall terminate at the earlier of: (a) 30 days after the participant ceasing (other than by reason of death) to be at least one of an officer, director, employee or consultant of the Corporation or a subsidiary of the Corporation, as the case may be; and (b) the expiry date of the stock option. If before the expiry of an option in accordance with the terms thereof a participant ceases to be an employee, officer, director or consultant by reason of the death of the participant, any unvested portion of such stock option shall vest within one year following the earlier of the death of the participant and the expiry date of the stock option. In addition, such option

may, subject to the terms thereof and any other terms of the Stock Option Plan, be exercised by the legal personal representative(s) of the participant's estate.

Takeover or Change of Control

In the event of any disposition of all or substantially all of the assets of the Corporation, or the dissolution, merger, amalgamation or consolidation of the Corporation with or into any other corporation or of such corporation into the Corporation, or any change in control of the Corporation occurring, the Corporation will have the power to make such arrangements as it shall deem appropriate for the exercise of outstanding options or continuance of outstanding options, including, without limitation, to amend any option agreement to permit the exercise of any or all of the remaining options prior to the completion of any such transaction.

Voluntary Black-Out Periods

The Corporation has adopted a policy on trading in the securities of the Corporation which results in the imposition of self-imposed black-out periods from time to time, preventing officers, directors, employees and consultants from exercising options. For example, these black-out periods would be imposed prior to the release of financial statements and when the Corporation is considering various possible transactions or is completing material operations that could, if consummated or successfully completed, have a significant effect on the trading price or value of the Corporation's securities. This policy will be adopted as part of Corporation's approach to responsible governance. However, the imposition of voluntary black-out periods can penalize the Corporation, and its insiders and employees where their stock options have not been exercised prior to the voluntary black-out period and such stock options would expire during such period.

Pursuant to the Stock Option Plan, the expiration of the term of any stock options that would fall during any black-out period or within 10 days following the termination of any black-out period will be extended for a period of 10 business days following the expiry of such black-out period, such that all participants will always have a maximum of 10 business days following a voluntary black-out period to exercise stock options. This provision applies to all participants.

PRSU Plan

Pursuant to the policies of the TSXV, the Corporation is permitted to have "rolling" equity-based compensation arrangements. On April 30, 2018, the Board approved the PRSU Plan, attached hereto as Schedule B, pursuant to which PSUs and RSUs (together, "**Share Units**") may be granted to directors, officers, employees and consultants of the Corporation. At the Meeting, Shareholders will be asked to vote on a resolution to approve the PRSU Plan for the ensuing year. There are currently no Share Units outstanding under the PRSU Plan.

Description of the PRSU Plan

The purposes of the PRSU Plan are to provide directors, officers, employees and consultants of the Corporation with the opportunity to acquire Share Units to allow them to participate in the long term success of the Corporation and to promote a greater alignment of their interests with the interests of the Shareholders. Subject to Shareholder approval, each Share Unit will entitle the holder thereof upon settlement to receive one Common Share in accordance with the PRSU Plan.

Eligibility

The PRSU Plan provides for the granting of Share Units to directors, officers, employees and consultants of the Corporation or any of its subsidiaries. The Board reserves the right to restrict eligibility or otherwise limit the number of persons eligible for participation in the PRSU Plan at any time. Eligibility to participate does not confer upon any individual a right to receive an award of PSUs or RSUs pursuant to the PRSU Plan.

Administration

The PRSU Plan is administered by the Board and the Board may, subject to applicable law, delegate its powers to administer the PRSU Plan to a committee of the Board. Share Units may be granted at the discretion of the Board, in such number that may be determined at the time of grant, subject to the limits set out in the PRSU Plan. Previous grants will be taken into account when considering new grants.

Maximum Percentage of Common Shares Reserved

The aggregate number of Common Shares that may be issued pursuant to the exercise of Share Units awarded under the PRSU Plan and all other security-based compensation arrangements of the Corporation, including the Stock Option Plan, is 10% of the Common Shares outstanding from time to time (on a non-diluted basis), subject to the following limitations:

- (a) the aggregate number of Common Shares reserved for issuance to any one person under the PRSU Plan, within a 12 month period, must not exceed 5% of the issued and outstanding Common Shares (on a non-diluted basis);
- (b) the aggregate number of Common Shares reserved for issuance to any single consultant under the PRSU Plan within a 12 month period, shall not exceed 2% of the issued and outstanding Common Shares; and
- (c) the aggregate number of Common Shares reserved for issuance to any one participant employed to provide investor relations activities (as defined in the PRSU Plan) within a 12 month period, must not exceed 2% of the issued and outstanding Common Shares.

Transferability

RSUs or PSUs, as applicable, are assignable by holders of such Share Units to certain assignors, including: a trustee, a custodian or an administrator acting on behalf of, or for the benefit of the holder or the holder's spouse, a holding entity of the holder, or the holder's spouse. Share Units are otherwise non-transferable.

Term and Settlement

PSU and RSU grants vest in such manner as determined by the Board. Prior to the distribution date in respect of any PSU, the Board shall assess the performance of the Corporation for the applicable period. The weighting of the individual's performance measures shall be determined by the Board in its sole discretion having regard to the principal purposes of the PRSU Plan and, upon the assessment of all performance measures, the Board shall determine the adjustment factor for the applicable period in its sole discretion. The applicable adjustment factor may be between a minimum of zero and such maximum as determined by the Board (provided such maximum shall not exceed 2.0). The number of PSUs which vest on a vesting date is the number of PSUs scheduled to vest on such date multiplied by the adjustment factor.

The Board, in its sole discretion, has the option of settling the Common Shares issuable in respect of Share Units by either or both of the following methods: (a) settlement in Common Shares acquired by the Corporation on the TSXV; or (b) the issuance of Common Shares from the treasury of the Corporation.

Early Expiration

In the event that a participant of the PRSU Plan ceases to be a director, officer, employee or consultant of the Corporation or a subsidiary of the Corporation for any reason, including without limitation, resignation or dismissal, but excluding death or permanent disability, the participant may, prior to the expiry date of the RSUs or PSUs, as applicable, and within 90 days from the date of ceasing to be a director, officer, employee or consultant, exercise any Share Units which are vested within such period, after which time

any outstanding Share Units shall terminate. All grants of Share Units to US Taxpayers shall be deemed to adjust the 90 day term to 74 days. In the event of death or permanent disability of a participant, the participant's legal representative or the participant, as applicable, may, within one year from the participant's death and prior to the expiry date, exercise the Share Units which are vested within such period, after which time any remaining Share Units shall terminate.

A holder of vested Share Units may determine the date of settlement of such Share Units, provided that such date is not later than the earlier of: (a) the thirtieth day after the holder ceases to be eligible to participate in the PRSU Plan; and (b) December 15th of the year such Share Units become vested.

Takeover or Change of Control

In the event of a change of control (as such term is defined in the PRSU Plan), all unvested Share Units shall become automatically vested. Common Shares issuable in respect of Share Units shall be, and shall be deemed to be, issued to participants effective immediately prior to the completion of the transaction which would result in the change of control unless issued prior thereto in accordance with the PRSU Plan.

Voluntary Black-Out Periods

The Corporation has adopted a policy on trading in the securities of the Corporation which results in the imposition of self-imposed black-out periods from time to time, preventing officers, directors, employees and consultants from exercising Share Units. For example, these black-out periods would be imposed prior to the release of financial statements and when the Corporation is considering various possible transactions or is completing material operations that could, if consummated or successfully completed, have a significant effect on the trading price or value of the Corporation's securities. This policy will be adopted as part of Corporation's approach to responsible governance. However, the imposition of voluntary black-out periods can penalize the Corporation, and its insiders and employees where their Share Units have not been exercised prior to the voluntary black-out period and such Share Units would expire during such period. The expiration of the term of any Share Units that would fall during any black-out period or within 10 days following the termination of any black-out period will be extended for a period of 10 business days following the expiry of such black-out period, such that all participants will always have a maximum of 10 business days following a voluntary black-out period to exercise Share Units. This provision applies to all participants.

Effective as of May 17, 2017, Mr. Rapach and Ms. Shinnie entered into new employment agreements with the Corporation whereby Mr. Rapach and Ms. Shinnie were retained as Chief Executive Officer and Chief Financial Officer, respectively, on a part-time basis. The Employment Agreements provide a termination payment to Messrs. The termination payment shall be equal to, in relation to each Employment Agreement, (a) two times the annual base salary; (b) plus an amount equal to 20% of two times the base salary for the

loss of benefits; (c) plus two times the average annual bonus paid pursuant to the Employment Agreement, if any, less applicable withholdings.

CORPORATE GOVERNANCE PRACTICES

In accordance with National Instrument 58-101 – *Disclosure of Corporate Governance Practices* and National Policy 58-201 – *Corporate Governance Guidelines* (“**NP 58-201**”), issuers are to disclose the corporate governance practices that they have adopted. NP 58-201 provides guidance on corporate governance practices. The Corporation is also subject to NI 52-110, which has been adopted in each of the Canadian provinces and territories and which prescribes certain requirements in relation to audit committees.

The Board is responsible for the governance of the Corporation. The Board and the Corporation’s management consider good corporate governance to be central to the effective and efficient operation of the Corporation. Below is a discussion of the Corporation’s approach to corporate governance.

Corporate Governance and Compensation Committee

The Board has established a Corporate Governance and Compensation Committee. The members of the Corporate Governance Committee are Messrs. McComiskey and Ellson. Mr. McComiskey is the

Chairman of the Corporate Governance and Compensation Committee. The Corporate Governance and Compensation Committee is comprised entirely of non-management members of the Board.

The Board has adopted a written charter that sets forth the responsibilities, powers and operations of the Corporate Governance and Compensation Committee, which include: (a) reviewing and determining the compensation policies of the Corporation with respect to directors, officers, employees and consultants of the Corporation; (b) proposing new nominees to the Board and for assessing directors on an ongoing basis; and (c) responding to and implementing the guidelines set forth from time to time, by any applicable regulatory authorities.

The Corporate Governance and Compensation Committee has the power to retain outside advisors as it considers necessary for the proper functioning of the committee, at the Corporation's expense. The Corporate Governance and Compensation Committee meets at least once annually and otherwise as requested by the Board or considered desirable by the Chair of the Corporate Governance and Compensation Committee.

Independence of Members of Board

The Board currently consists of six directors, five of whom are independent based upon the tests for independence set forth in NI 52-110. Messrs. Urch, Guidry, Ellson, Wilson and McComiskey are independent. Mr. Zúñiga-Pflucker is not independent by virtue of serving as President and Chief Executive Officer of the Corporation.

Board Oversight

The Board exercises its independent supervision over the Corporation's management through a combination of formal meetings of the Board as well as informal discussions amongst the Board members. The independent directors can also hold scheduled meetings at which non-independent directors and members of management are not in attendance. Where matters arise at Board meetings which require decision making and evaluation that is independent of management and interested directors, the meeting breaks into an *in camera* session among the independent and disinterested directors.

Board Mandate

The Board has adopted a written mandate, attached hereto as Schedule C, that summarizes, among other things, the Board's duties and responsibilities. The Board is responsible for the overall stewardship of the Corporation and dealing with issues which are pivotal to determining the Corporation's strategy and direction. The Board has directly, and through the appointment of certain committees, put in place an effective system for monitoring the implementation of corporate strategies. The Board is not involved in

the day to day operations of the Corporation, as these operations are conducted by the Corporation's management. The Board meets regularly to consider and approve the strategic objectives of the Corporation and management plans designed to accomplish those objectives. Where appropriate, key management personnel and professional advisors are invited to attend Board meetings to speak to these issues. The Board also meets as necessary to consider specific developments and opportunities as they arise, including asset acquisitions and dispositions and financing proposals. The Board approves, among other things, all issuances of securities of the Corporation, the appointment of officers, the entering into of lines of credit or other significant borrowing activities and all significant transactions. The Board considers, but has no formal policies, concerning management development and succession and risk management.

Essential to strategic planning is assessing and understanding business risks and related control systems. The Board helps set limits with respect to business risks, to the extent they can be managed, and approves strategies for minimizing risks. Implementations of these strategies are then monitored by the Board. The Board, through the Audit Committee, requires management of the Corporation to put into place systems to address financial risks and to periodically report to the Board on these systems and risks.

Management has implemented procedures to provide reasonable assurance of effective communication with the Corporation's shareholders and the public. The Corporation's management is responsible for the issuance of press releases and communications with the financial community. The Board reviews and approves all principal continuous disclosure documents, the release of interim and annual financial statements, annual information forms, prospectuses and information circulars.

The Corporate Governance and Compensation Committee is responsible for monitoring the governance systems of the Corporation with a view to ongoing improvements, reviewing the composition of the Board and developing criteria for new Board appointments. The Corporate Governance and Compensation Committee also acts as a nominating committee for new directors, oversees and approves the Corporation's compensation plans and evaluates the overall Board effectiveness.

Position Descriptions

The Board has developed a written position description for the Chairman of the Board and the Chief Executive Officer of the Corporation, but has not developed a written position description for the Chairman of the Audit Committee.

The Chair of each committee of the Board schedules meetings of the committee and organizes and presents agendas for such meetings.

The Board, in conjunction with management, sets the Corporation's annual objectives which become the objectives against which the Chief Executive Officer's performance is measured. The Board has plenary power; any responsibility which is not delegated to management or a Board committee remains with the Board.

Orientation and Continuing Education

While the Corporation does not have a formal orientation and training program, new members of the Board are provided with:

- (a) a copy of the policies and mandates of the Board and its committees and copies of the Corporation's corporate governance policies, which provides information respecting the functioning of the Board;
- (b) access to recent, publicly filed documents of the Corporation;
- (c) access to management; and
- (d) access to legal counsel in the event of any questions relating to the Corporation's compliance and other obligations.

Members of the Board are encouraged to communicate with management, legal counsel and, where applicable, auditors and technical consultants of the Corporation; to keep themselves current with industry trends and developments and changes in legislation with management's assistance; and to attend related industry seminars and visit the Corporation's operations. Board members have full access to the Corporation's records.

Ethical Business Conduct

In establishing its corporate governance practices, the Board has been guided by applicable Canadian securities legislation and the guidelines of the TSXV for effective corporate governance, including NP 58-201. The Board is committed to a high standard of corporate governance practices. The Board believes that this commitment is not only in the best interests of its Shareholders, but that it also promotes effective decision making at the Board level.

Additionally, in order to encourage and promote a culture of ethical business conduct, the Board has adopted a Code of Business Conduct and Ethics (the "**Code**") wherein directors, officers and employees of the Corporation and others are provided with a mechanism by which they can raise complaints regarding financial and regulatory reporting, internal accounting controls, auditing or health, safety and environmental matters or any other matters and raise concerns about any violations of the Code in a confidential and, if deemed necessary, anonymous process. The Code is available on the Corporation's SEDAR profile at www.sedar.com.

The Board has instructed its management and employees to abide by the Code and to bring any breaches of the Code to the attention of the Chief Financial Officer. Compliance with the Code is monitored primarily through the reporting process within the Corporation's organizational structure.

It is a requirement of applicable corporate law that directors who have an interest in a transaction or agreement with the Corporation promptly disclose that interest at any meeting of the Board at which the transaction or agreement will be discussed and abstain from discussions and voting in respect to same if the interest is material. The Code imposes a similar disclosure requirement on all non-director representatives of the Corporation and requires such persons to report such conflict to the executive officer to whom that person reports in the course of his employment responsibilities, or, in the case of a senior executive officer, to the Audit Committee and fully inform such person or the committee, as applicable, of the facts and circumstances related to the conflict or potential conflict. The representative is prohibited from taking any further action in respect of the matter or transaction giving rise to such conflict or potential conflict unless and until he is authorized to do so by his reporting officer or the Audit Committee.

Nomination of Directors

The Corporate Governance and Compensation Committee has responsibility for identifying potential Board candidates. The Corporate Governance Committee assesses potential Board candidates to fill perceived needs on the Board for required skills, expertise, independence and other factors. Members of the Board and representatives of the oil and gas industry are consulted for possible candidates. The Board has adopted a written charter setting forth the responsibilities, powers and operations of the Corporate Governance and Compensation Committee, which include considering and recommending candidates to fill new positions on the Board, reviewing candidates recommended by shareholders, conducting inquiries into the backgrounds and qualifications of candidates, recommending the director nominees for approval by the Board and the Shareholders, considering conflicts of interests, recommending members and chairs of the committees, reviewing the performance of directors and the Board, establishing director retirement policies and establishing and implementing an orientation and education program for new members of the Board .

The members of the Reserves Committee are Messrs. Guidry and Wilson. Mr. Guidry is the Chairman of the Reserves Committee. The Reserves Committee's responsibilities include, but are not limited to meeting with the independent engineering firm commissioned to do the reserves evaluation on the Corporation's assets and discussing the conclusions of such report.

The Reserves Committee has the power to retain outside advisors as it considers necessary for the proper functioning of the committee, at the Corporation's expense. The Reserves Committee meets at least once annually and otherwise as requested by the Board or considered desirable by the Chair of the Reserves Committee.

Health, Safety, Environment and Social Committee

The members of the Health, Safety, Environment and Social Committee are Messrs. Urch, Wilson and Guidry. Mr. Urch is the Chairman of the Health, Safety, Environment and Social Committee. The Board shall have full and final discretion to interpret the provisions of the Plan and to prescribe, amend, rescind and waive rules and regulations to govern the administration and operation of the Plan. All decisions and interpretations made by the Board shall be binding and conclusive upon the Corporation and on all persons eligible to participate in the Plan, subject to the approval of the Exchange (including shareholder approval if required by the Exchange). Notwithstanding the foregoing or any other provision contained herein, the Board shall have the right to delegate the administration and operation of the Plan to a committee of directors appointed from time to time by the Board, in which case all references herein to the Board shall be deemed to refer to such committee.

4. Eligibility

The Board may at any time and from time to time designate those Optionees who are to be granted an Option pursuant to the Plan and grant an Option to such Optionee. Subject to Exchange Policies and the limitations contained herein, the Board is authorized to provide for the grant and exercise of Options on such terms (which may vary as between Options) as it shall determine. No Option shall be granted to any person except upon the approval of the Board. A person who has been granted an Option may, if he is otherwise eligible and if permitted by Exchange Policies, be granted an additional Option or Options if the Board shall so determine. Pursuant to Exchange Policies, the Corporation shall represent that the Optionee is a bona fide Employee, Consultant or Management Company Employee in respect of Options granted to such Optionee.

5. Participation

Participation in the Plan shall be entirely voluntary and any decision not to participate shall not affect an Optionee’s relationship or employment with the Corporation.

Notwithstanding any express or implied term of this Plan or any Option to the contrary, the granting of an Option pursuant to the Plan shall in no way be construed as conferring on any Optionee any right with respect to continuance as a director, officer, employee or consultant of the Corporation or any subsidiary of the Corporation.

Options shall not be affected by any change of employment of the Optionee or by the Optionee ceasing to be a director, officer or employee of or a consultant to the Corporation or any of its subsidiaries, where the Optionee at the same time becomes or continues to be a director, officer or employee of or a consultant to the Corporation or any of its subsidiaries.

No Optionee shall have any of the rights of a shareholder of the Corporation in respect of Common Shares issuable on exercise of an Option until such Common Shares shall have been paid for in full and issued by the Corporation on exercise of the Option, pursuant to this Plan.

6. Common Shares Subject to Options

The number of authorized but unissued Common Shares that may be issued upon the exercise of Options granted under the Plan at any time plus the number of Common Shares reserved for issuance

under outstanding incentive stock options otherwise granted by the Corporation shall not exceed 10% of the issued and outstanding Common Shares on a non-diluted basis, and such number shall increase or decrease as the number of issued and outstanding Common Shares changes.

Subject to Exchange Policies, the aggregate number of Common Shares reserved for issuance to any one Optionee under Options granted in any 12 month period shall not exceed 5% of the issued and outstanding Common Shares determined at the date of grant, or 2% of the issued and outstanding Common Shares determined at the date of grant in the case of an Optionee who is a Consultant. In addition, no more than an aggregate of 2% of the issued and outstanding Common Shares determined at the date of grant may be granted to Employees conducting Investor Relations Activities.

Appropriate adjustments shall be made as set forth in Section 14 hereof in both the number of Common Shares covered by individual grants and the total number of Common Shares authorized to be issued hereunder, to give effect to any relevant changes in the capitalization of the Corporation.

If any Option granted hereunder shall expire or terminate for any reason without having been exercised in full, the unexercised Common Shares subject thereto shall again be available for the purpose of the Plan.

No fractional shares may be purchased or issued hereunder.

If the Expiry Date occurs during or within 10 days after the last day of a Black Out Period, the Expiry Date for the Option will be the last day of such 10 day period.

Each Option granted by the Corporation prior to the date of the approval of the Plan by the shareholders of the Corporation, including Options granted under previously approved stock option plans of the Corporation, be and are continued under and shall be subject to the terms of the Plan after the Plan has been approved by the shareholders of the Corporation.

7. Option Agreement

A written agreement will be entered into between the Corporation and each Optionee to whom an Option is granted hereunder, which agreement will set out the number of Common Shares subject to option, the exercise price and any other terms and conditions approved by the Board, all in accordance with the provisions of this Plan (herein referred to as the “**Option Agreement**”). The Option Agreement will be in such form as the Board may from time to time approve, and may contain such terms as may be considered necessary in order that the Option will comply with any provisions respecting options in the income tax or other laws in force in any country or jurisdiction of which the Optionee may from time to time be a resident or citizen or the rules of the Exchange or any other regulatory body having jurisdiction over the Corporation.

8. Option Period and Exercise Price

Each Option and all rights thereunder shall be expressed to expire on the date set out in the applicable Option Agreement, which date shall be no later than the expiry of the Option Period (the “**Expiry Date**”), subject to earlier termination as provided in Sections 10, 11 and 16 hereof.

Subject to Exchange Policies and any limitations imposed by any other regulatory authority having jurisdiction over the Corporation, the exercise price of an Option granted under the Plan shall be as determined by the Board when such Option is granted and shall be an amount at least equal to the Discounted Market Price of the Common Shares. In the event that the Corporation proposes to reduce the exercise price of Options granted to an Optionee who is an Insider of the Corporation at the time of the proposed amendment, such amendment shall not be effective until disinterested shareholder approval has been obtained in respect of the reduction of the exercise price, if required by the rules and policies of the Exchange then in effect.

9. Exercise of Options

An Optionee shall be entitled to exercise an Option granted to him at any time prior to the Expiry Date, subject to Sections 10, 11 and 16 hereof and to vesting limitations which may be imposed by the Board at the time such Option is granted as set out in the Option Agreement. Subject to Exchange Policies, the Board may, in its sole discretion, determine the time during which an Option shall vest and the method of vesting, or that no vesting restriction shall exist.

The exercise of any Option will be conditional upon receipt by the Corporation at its head office of a written notice of exercise, specifying the number of Common Shares in respect of which the Option is being exercised, accompanied by cash payment, certified cheque or bank draft for the full purchase price of such Common Shares with respect to which the Option is being exercised.

10. Ceasing to be a Director, Officer, Employee or Consultant

If an Optionee ceases to be a director, officer, employee or consultant of the Corporation or its subsidiaries for any reason other than death, any Options granted to such Optionee will terminate on the 30th day following the effective date such Optionee ceases to be a director, officer, employee or consultant of the Corporation or its subsidiaries or the expiry time of such Option, whichever occurs first, and shall be of no further force or effect whatsoever as to the Common Shares in respect of which an Option has not previously been exercised; however, such Options may be exercised by an Optionee who has ceased to be a director, officer, employee or consultant only if the Optionee was entitled to exercise the Options at the date of such cessation pursuant to the terms of the Optionee's Option Agreement.

11. Death of Optionee

In the event of the death of an Optionee, the Option previously granted to him shall be exercisable within one year following the date of the death of the Optionee or prior to the Expiry Date, whichever is earlier, and then only:

- (a) by the person or persons to whom the Optionee's rights under the Option shall pass by the Optionee's will or the laws of descent and distribution, or by the Optionee's legal personal representative; and
- (b) to the extent that the Optionee was entitled to exercise the Option at the date of the Optionee's death pursuant to the terms of the Optionee's Option Agreement.

12. Optionee's Rights Not Transferable

No right or interest of any Optionee in or under the Plan is assignable or transferable, in whole or in part, either directly or by operation of law or otherwise in any manner except pursuant to Section 11 hereof, subject to the requirements of the Exchange, or as otherwise allowed by the Exchange.

Subject to the foregoing, the terms of the Plan shall bind the Corporation and its successors and assigns, and each Optionee and his heirs, executors, administrators and personal representatives.

13. Takeover or Change of Control

The Corporation shall have the power, in the event of:

- (a) any disposition of all or substantially all of the assets of the Corporation, or the dissolution, merger, amalgamation or consolidation of the Corporation with or into any other corporation or of such corporation into the Corporation, or
- (b) any change in control of the Corporation,

to make such arrangements as it shall deem appropriate for the exercise of outstanding Options or continuance of outstanding Options, including without limitation, to amend any Option Agreement to permit the exercise of any or all of the remaining Options prior to the completion of any such transaction. If the Corporation shall exercise such power, the Option shall be deemed to have been amended to permit the exercise thereof in whole or in part by the Optionee at any time or from time to time as determined by the Corporation prior to the completion of such transaction.

14. Adjustments

In the event of:

- (a) any subdivision, redivision or change of the Common Shares at any time during the term of the Option into a greater number of Common Shares, the Corporation shall deliver, at the time of any exercise thereafter of the Option, such number of Common Shares as would have resulted from such subdivision, redivision or change if the exercise of the Option had been made prior to the date of such subdivision, redivision or change;
- (b) any consolidation or change of the Common Shares at any time during the term of the Option into a lesser number of Common Shares, the number of Common Shares deliverable by the Corporation on any exercise thereafter of the Option shall be reduced to such number of Common Shares as would have resulted from such consolidation or change if the exercise of the Option had been made prior to the date of such consolidation or change; or
- (c) any reclassification of the Common Shares at any time outstanding or change of the Common Shares into other shares, or in case of the consolidation, amalgamation or merger of the Corporation with or into any other corporation (other than a consolidation, amalgamation or merger which does not result in a reclassification of the outstanding Common Shares or a change of the Common Shares into other shares), or in case of any transfer of the undertaking or assets of the Corporation as an entirety or substantially as an entirety to another corporation, at any time during the term of the Option, the Optionee shall be entitled to receive, and shall accept, in lieu of the number of Common Shares to which he was theretofore entitled upon exercise of the Option, the kind and amount of shares and other securities or property which such holder would have been entitled to receive as a result of such reclassification, change, consolidation, amalgamation, merger or transfer if, on the effective date thereon he had been the holder of the number of Common Shares to which he was entitled upon exercise of the Option.

Adjustment shall be made successively whenever any event referred to in this section shall occur. Appropriate adjustments to: (i) the number of Shares subject to the Plan and, as regards to Options granted or to be granted, in the number of Shares optioned; and (ii) the Exercise Price, shall be made by the Board to give effect to adjustments in the number of Shares resulting from any of the above mentioned subdivisions, consolidations or reclassifications of the Shares, the payment of distributions or dividends by the Corporation (other than dividends in the ordinary course) or other relevant changes in the authorized or issued capital of the Corporation, which changes occur subsequent to the approval of the Plan by the Board.

15. Costs

The Corporation shall pay all costs of administering the Plan.

16. Termination and Amendment

- (a) The Board may amend or terminate this Plan or any outstanding Option granted hereunder at any time without the approval of the shareholders of the Corporation or any Optionee whose Option is amended or terminated, in order to conform this Plan or such Option, as the case may be, to applicable law or regulation or the requirements of the Exchange or any other regulatory authority

having jurisdiction over the Corporation, whether or not such amendment or termination would affect any accrued rights, subject to the approval of the Exchange or such other regulatory authority.

- (b) The Board may amend or terminate this Plan or any outstanding Option granted hereunder for any reason other than the reasons set forth in Section 16(a) hereof, subject to the approval of the Exchange or any other regulatory authority having jurisdiction over the Corporation, and the approval of the shareholders of the Corporation if required by the Exchange or such other regulatory authority. Subject to Exchange Policies, disinterested shareholder approval will be obtained for any reduction in the exercise price of an Option if the Optionee is an Insider of the Corporation at the time of the proposed amendment. No such amendment or termination will, without the consent of an Optionee, alter or impair any rights which have accrued to him prior to the effective date thereof.
- (c) The Plan, and any amendments thereto, shall be subject to acceptance and approval by the Exchange. Any Options granted prior to such approval and acceptance shall be conditional upon such approval and acceptance being given and no such Options may be exercised unless and until such approval and acceptance are given.

17. Applicable Law

This Plan shall be governed by, administered and construed in accordance with the laws of Canada applicable therein.

The Board shall have full and final discretion to interpret the provisions of the Plan and to prescribe, amend, rescind and waive rules and regulations to govern the administration and operation of the Plan. All decisions and interpretations made by the Board shall be binding and conclusive upon the Corporation and on all Eligible Persons, Participants, Permitted Assigns and all other Persons.
- (b) To the extent permitted by applicable law, the Board may, from time to time, delegate to the Committee, on such terms as it considers appropriate, all or any of the powers, duties and functions relating to the granting of Share Units and the administration of the Plan,

including the power to sub-delegate, to the extent permitted by applicable law, to any specified officer of the Corporation all or any of the powers delegated to the Committee. Any decision made or action taken by the Committee or the specified officer arising out of or in connection with the administration or interpretation of this Plan in this context is final, binding and conclusive on the Corporation, the Participants and all other Persons.

3.2 Determination of Value if Shares Not Publicly Traded

If the Shares are not publicly traded on the TSXV or any other stock exchange at the relevant time such that the Award Market Value, the Dividend Market Value and/or the Settlement Market Value cannot be determined in accordance herein, such value shall be determined by the Board acting in good faith.

3.3 Eligibility

Share Units shall be granted only to persons (“**Eligible Person**”) who are directors, officers, employees, or consultants of the Corporation or a subsidiary of the Corporation as the Board determines should receive Share Units in accordance with the applicable laws and the policies and rules of the TSXV.

The Board reserves the right to restrict eligibility or otherwise limit the number of Persons eligible for participation in the Plan at any time. Eligibility to participate does not confer upon any individual a right to receive an award of Share Units pursuant to the Plan.

3.4 Total Shares Subject to Share Units

Unless otherwise approved by the TSXV (or such other exchanges on which the Shares may be listed from time to time) and the shareholders of the Corporation:

- (a) the securities that may be issued to Participants pursuant to this Plan shall consist of those authorized but unissued Shares which the Board and/or Committee has, in its discretion, reserved and approved for issuance under the Plan from time to time;
- (b) subject to Section 4.11, the aggregate number of Shares that may be issued pursuant to the Plan shall not exceed 10% of the issued and outstanding Shares at the time of grant;
- (c) the Board shall not grant Share Units under the Plan if the number of Shares issuable pursuant to outstanding Share Units, when combined with the number of Shares issuable pursuant to outstanding stock options granted under the Corporation’s stock option plan and outstanding convertible securities under any other security-based compensation arrangements of the Corporation, would exceed 10% of the issued and outstanding Shares at the time of the grant;
- (d) the number of Shares issued to any one Insider and such Insider’s associates, within any one year period, under all security based compensation arrangements including, without limitation, this Plan, shall not exceed 5% of the issued and outstanding Shares at the time of the grant, provided that if the acquisition of Shares by the Corporation for cancellation should result in such tests no longer being met, this shall not constitute non-compliance with this Section 3.4 for any awards outstanding prior to such purchase of Shares for cancellation. For the purposes hereof, “security based compensation arrangements” means any compensation mechanism involving the issuance or the potential issuance of securities of the Corporation from treasury;
- (e) the number of securities issued to a Participant who is a Consultant, within any one year period, under all security based compensation arrangements including, without limitation, this Plan, shall not exceed 2% of the issued and outstanding Shares at the time of the grant;

- (f) the number of securities issued to any Participants who are employees engaged in Investor Relation Activities, within any one year period, under all security based compensation arrangements including, without limitation, this Plan, shall not exceed in aggregate 2% of the issued and outstanding Shares at the time of the grant, unless the Corporation receives the permission of the stock exchange or exchanges on which the Shares are listed to exceed such thresholds; and
- (g) to the extent Share Units are not exercised or to the extent any Share Units are terminated for any reason or are cancelled, the Shares subject to such Share Units shall be added back to the number of Shares reserved for issuance under the Plan and such Shares will again become available for Share Unit grants under the Plan.

For purposes of the calculations in this Section 3.4 only, it shall be assumed that all issued and outstanding Share Units will be settled by the issuance of Shares from treasury, notwithstanding the Corporation's right pursuant to Section 4.12 to settle Share Units by purchasing Shares on the open market.

3.5 Participant's Agreement to be Bound

- (a) Participation in the Plan is entirely voluntary and is at the discretion of the Eligible Person, and shall not be interpreted as conferring upon such Participant any rights or privileges other than those rights and privileges expressly provided in the Plan. Should any Eligible Person elect to participate in the Plan by electing to receive Share Units through delivery of an acknowledgement in the manner specified in Section 3.5(b) or otherwise, such acknowledgement shall be construed as acceptance by the Eligible Person, of the terms and conditions of the Plan, and all rules and procedures adopted hereunder, as amended, assigned or assumed from time to time in accordance with the terms hereof.
- (b) In order to participate in the Plan, an Eligible Person shall acknowledge each Award Notice and such other matters as deemed necessary by the Committee, in its sole discretion, including those matters specified in Schedule A or Schedule B
- (c) , as applicable, by delivering their countersigned acknowledgement on the Award Notice within 15 days of the delivery of an Award Notice. If such acknowledgement is not so delivered within the time specified in this Section 3.5(b), the Corporation shall not credit any Share Units to the Participant's account, unless waived by the Committee, in its sole discretion.

ARTICLE 4 AWARD OF SHARE UNITS

4.1 Award of Share Units

Subject to the provisions of the Plan and such other terms and conditions as the Committee or the Board may prescribe, the Committee may, from time to time grant Share Units to any Eligible Person. Upon receipt of an acknowledgement in the manner specified in Section 3.5, Share Units shall be credited to an account maintained for each Participant on the books of the Corporation, effective as of the Award Date for that grant. The number of Share Units (including fractional Share Units) to be credited as of the Award Date shall be determined by the Committee in its sole discretion.

4.2 Vesting Period

Each Share Unit will vest on such terms as shall be specified by the Board or Committee at the time of granting an award of Share Units as reflected in the Award Notice, except as otherwise provided in this Plan.

4.3 Performance Vesting

- (a) Prior to the Distribution Date in respect of any PSU, the Board or Committee shall assess the performance of the Corporation for the applicable period. The weighting of the individual measures comprising the Performance Measures shall be determined by the Board or Committee, as applicable, in its sole discretion having regard to the principal purposes of the Plan and, upon the assessment of all Performance Measures, the Board or Committee shall determine the Adjustment Factor for the applicable period in its sole discretion. The applicable Adjustment Factor may be between a minimum of zero and such maximum as determined by the Board or Committee (provided such maximum shall not exceed 2.0).
- (b) The number of PSUs which vest on a vesting date specified in an Award Notice is the number of PSUs scheduled to vest on such date multiplied by the Adjustment Factor.

4.4 Award Notice

All awards of Share Units under Section 4.1 will be evidenced by an Award Notice. Such Award Notice will be subject to the applicable provisions of this Plan and will contain such provisions as are required by this Plan and any other provisions that the Board or Committee may direct. Any one officer of the Corporation is authorized and empowered to execute and deliver, for and on behalf of the Corporation, an Award Notice to a Participant once the Board or Committee has approved the grant of Share Units to that particular Eligible Person.

4.5 Credits for Dividends

In the event that the Corporation pays a normal cash dividend in accordance with its dividend policy on the Shares, a Participant's account shall be credited with Dividend Equivalents in the form of additional Share Units as of each dividend payment date in respect of which normal cash dividends are paid on Shares. Such Dividend Equivalents shall be computed by dividing: (a) the amount obtained by multiplying the amount of the dividend declared and paid per Share by the number of Share Units recorded in the Participant's account on the record date for the payment of such dividend, by (b) the Dividend Market Value, with fractions computed to three decimal places. Any additional Share Units resulting from such Dividend Equivalents shall have the same vesting schedule, Distribution Date and other terms as the Share Units to which they relate. The foregoing does not obligate the Corporation to pay dividends on Shares and nothing in this Plan shall be interpreted as creating such an obligation.

4.6 Distribution Date Election

- (a) Subject to Sections 4.6(b), 4.9, 4.10 and 4.10, a Participant who is not a U.S. Taxpayer shall have the right to elect to exercise any vested Share Units recorded in the Participant's account by delivering to the Corporation an Exercise Notice specifying a date for distribution of Shares in settlement of such Share Units ("**Distribution Date**"), such date to be set out by the Participant in the Exercise Notice; provided that such date shall not be later than the earlier of:
 - (i) the thirtieth day after the Participant ceases to be eligible to participate under the Plan; or

- (ii) December 15th of the year in which such Share Units became vested,

(the “**Final Date**”).
- (b) In the event a Participant fails to deliver a timely Exercise Notice pursuant to Section 4.6(a) or specifies a Distribution Date in an Exercise Notice which is later than the Final Date, the Distribution Date shall be deemed to be the Final Date.
- (c) A Participant who is not a U.S. Taxpayer shall be entitled to elect in the Exercise Notice delivered to the Corporation in accordance with Section 4.6(a) hereof, for all of such Participant’s Share Units to be settled in exchange for a payment by the Corporation of a cash amount per Share Unit equal to the Settlement Market Value of the Payment Shares on the Distribution Date, net of applicable withholding tax, provided that such Distribution Date shall not be later than the Final Date. The Corporation has the sole discretion to consent or refuse the election of the Participant to receive cash pursuant to this Section 4.6(c). If the Corporation refuses the election, the Share Units shall be satisfied in accordance with the manner described in Section 4.7.
- (d) Notwithstanding anything to the contrary in this Section, with respect to any Share Units awarded to a Participant who is a U.S. Taxpayer, the Distribution Date shall be the applicable vesting date set out in the applicable Award Notice. No Exercise Notice or election of alternative Distribution Date shall be permitted for U.S. Taxpayers.

4.7 Distribution of Shares

- (a) Subject to any election received and accepted by the Corporation pursuant to Section 4.6(c), as soon as practicable after each Distribution Date or on the Final Date (if the Distribution Date is the Final Date), the Corporation shall issue to the Participant or, if Section 4.10 applies, to the Participant’s estate, a number of Shares equal to the number of Share Units in the Participant’s account that became payable on the Distribution Date (the “**Payment Shares**”). As of the Distribution Date, the Share Units in respect of which such Shares are issued shall be cancelled and no further payments shall be made to the Participant under the Plan in relation to such Share Units.
- (b) As a condition to the issue of Shares in payment of any Share Units, the Corporation may require that the Participant (i) pay to the Corporation such amount as the Corporation is obligated to remit to the relevant taxing authority in respect of the issuance of the Shares in payment of the Share Units (the “**Applicable Withholding Amount**”); (ii) withhold the Applicable Withholding Amount from any remuneration or other amount otherwise payable by the Corporation to the Participant; (iii) require a sale of a number of Shares issued upon payment of the Share Units and the remittance to the Corporation of the net proceeds from such sale sufficient to satisfy the Applicable Withholding Amount; or (iv) enter into any other arrangements suitable to the Corporation to enable the Corporation to satisfy the Applicable Withholding Amount, including any combination of the foregoing. Following receipt of the Exercise Notice from the Participant, the Corporation shall advise the Participant in writing of any Applicable Withholding Amount required in connection with the issue of Shares in settlement of the Share Units.

4.8 Resignation or Termination

Notwithstanding Sections 4.6 and 4.7, and subject to any written resolution passed by the Board or Committee, if any Participant shall cease to hold the position or positions of director, officer, employee or consultant of the Corporation or any subsidiaries (as the case may be) for any reason other than death or Disability, then all Share Units granted to the Participant under the Plan that have not yet vested within 90 days after the date such Participant ceases to hold the position or positions of director, officer,

employee or consultant of the Corporation or any subsidiaries as the case may be, shall terminate without payment and shall be of no further force or effect. All grants of Share Units to US Taxpayers shall be deemed to adjust the 90 day term specified herein to 74 days.

4.9 Disability

Subject to any express resolution passed by the Board or Committee, if any Participant shall cease to hold the position or positions of director, officer, employee or consultant of the Corporation or any subsidiaries (as the case may be) by reason of Disability, any vested Share Units held by such Participant under the Plan at the date such Participant ceases to hold the position or positions of director, officer, employee or consultant of the Corporation or any subsidiaries as the case may be, shall be automatically settled and the Distribution Date shall be the 90th day after such date and all unvested Share Units shall terminate without payment and shall be of no further force or effect.

4.10 Death of Participant Prior to Distribution

Notwithstanding Sections 4.6 and 4.7 of the Plan, but subject to any express resolution passed by the Board or Committee, upon the death of a Participant, any vested Share Units held by such Participant or any Share Units which shall vest within one year after the death of the Participant under the Plan shall be automatically settled and the Distribution Date shall be within one year after the death of the Participant and all other unvested Share Units shall terminate without payment and shall be of no further force or effect.

4.11 Adjustments to Share Units

In the event of any subdivision, consolidation, stock dividend, capital reorganization, reclassification, exchange, or other change with respect to the Shares, or a consolidation, amalgamation, merger, spin-off, sale, lease or exchange of all or substantially all of the property of the Corporation or other distribution of the Corporation's assets to shareholders (other than the payment of dividends in respect of the Shares as contemplated by Section 4.5), the account of each Participant and the Share Units outstanding under the Plan shall be adjusted in such manner, if any, as the Board may in its discretion, subject to approval by the TSXV, deem appropriate to preserve, proportionally, the interests of Participants under the Plan.

4.12 Settlement of Share Units

On the Distribution Date, the Board or Committee, as applicable, in its sole discretion, shall have the option of settling the Shares issuable in respect of Share Units by either or both of the following methods: (a) settlement in Shares acquired by the Corporation on the TSXV; or (b) the issuance of Shares from the treasury of the Corporation.

4.13 Change of Control

- (a) Unless otherwise determined by the Board in its sole discretion, upon a Change of Control, all unvested Share Units shall become automatically vested.
- (b) Shares issuable in respect of Share Units shall be, and shall be deemed to be, issued to Participants effective immediately prior to the completion of the transaction which would result in the Change of Control unless issued prior thereto in accordance with this Plan.

4.14 Discretion to Permit Vesting

Notwithstanding the provisions of Sections 4.2, 4.8, 4.9, 4.10 and 4.10, the Board may, in its sole discretion, at any time prior to or following the events contemplated in such Sections, permit the vesting of

any or all Share Units held by a Participant and the issuance of the Payment Shares in respect of such Share Units in the manner and on the terms authorized by the Board, provided that the Board will not, in any case, authorize the vesting of a Share Unit or the issuance of a Payment Share pursuant to this Section beyond the Final Date applicable to the particular Share Unit.

4.15 Black-Out Periods

Subject to the rules and regulations of any exchange on which the Shares are listed for trading, notwithstanding any other provisions of this Plan, if the Distribution Date of any Share Unit occurs during or within 10 business days following the end of a Black-Out Period (as defined below), the Distribution Date of such Share Unit shall be extended for a period of 10 business days following the end of the Black-Out Period (or such longer period as permitted by the TSXV or other exchange on which the Shares are listed and approved by the Board). "Black-Out Period" means the period of time when, pursuant to any policies of the Corporation, any securities of the Corporation may not be traded by certain persons as designated by the Corporation, including any holder of a Share Unit.

ARTICLE 5 GENERAL

5.1 Amendment, Suspension, or Termination of Plan

- (a) Subject to Sections 5.1(b) and 5.1(c) below and to the rules and policies of any stock exchange on which the Shares are listed and applicable law, the Board may, without notice or shareholder approval, at any time or from time to time, amend, suspend or terminate the Plan or awards granted hereunder for any purpose which, in the good faith opinion of the Board, may be expedient or desirable, including making such amendments to the Plan to comply with rules and policies of any stock exchange on which the Shares are listed.
- (b) Notwithstanding Section 5.1(a) but subject to 5.1(f), the Board shall not alter or impair any rights or increase any obligations with respect to a Share Unit previously granted under the Plan without the consent of the Participant.
- (c) Notwithstanding Section 5.1(a), none of the following amendments shall be made to this Plan or awards granted hereunder without approval of the TSXV (to the extent the Corporation has any securities listed on such exchange) and the approval of shareholders:
 - (i) amendments to the Plan which would increase the number of securities issuable under the Plan otherwise than in accordance with the terms of this Plan;
 - (ii) amendments to the Plan which would increase the number of securities issuable to Insiders otherwise than in accordance with the terms of this Plan;
 - (iii) amendments that would extend the Distribution Date of any Share Units held by Insiders beyond the original Final Date of the Share Units;
 - (iv) amendments that would reduce the Award Market Value of any Share Units held by Insiders otherwise than in accordance with the terms of this Plan;
 - (v) the addition of any form of financial assistance to a Participant;
 - (vi) amendments to the restriction under Section 5.5 to permit a Participant to transfer any Share Units to a new beneficial holder other than for estate settlement purposes; and

(vii) amendments to this Section 5.1.

Such amendments shall require the approval of the holders of the Corporation's Shares by ordinary resolution.

- (d) If the Board terminates or suspends the Plan, no new Share Units will be credited to the account of a Participant. Previously credited Share Units whether or not vested, may, at the Board's election, be accelerated (if unvested) and/or Shares issuable in respect of such Share Unit may be distributed to Participants or may remain outstanding. In the event that a Share Unit remains outstanding following a suspension or termination of the Plan, such Share Unit shall not be entitled to Dividend Equivalents unless at the time of termination or suspension the Board determines that the entitlement to Dividend Equivalents after termination or during suspension, as applicable, should be continued.
- (e) The Board shall not require the consent of any affected Participant in connection with a termination of the Plan in which the vesting of all Share Units held by the Participant are accelerated and the Payment Shares are issued to the Participant in respect of all such Share Units.
- (f) The Plan will terminate on the date upon which no further Share Units remain outstanding.

5.2 Compliance with Laws/U.S. Tax Matters

The administration of the Plan shall be subject to and made in conformity with all applicable laws and any regulations of a duly constituted regulatory authority. If at any time the Board determines that the listing, registration or qualification of the Shares subject to the Share Unit upon any securities exchange or under any provincial, state, federal or other applicable law, or the consent or approval of any governmental body, securities exchange, or the holders of the Shares generally, is necessary or desirable, as a condition of, or in connection with, the granting of such Share Units or the issue of Shares thereunder, no such Share Unit may be awarded or exercised in whole or in part unless such listing, registration, qualification, consent or approval shall have been effected or obtained free of any conditions not acceptable to the Board.

The Share Units awarded to Participants who are U.S. Taxpayers are intended to be exempt from Section 409A of the United States Internal Revenue Code and the provisions of this Plan shall be interpreted consistent with that intent.

5.3 Reorganization of the Corporation

The existence of any Share Units shall not affect in any way the right or power of the Corporation or its shareholders to make or authorize any adjustment, recapitalization, reorganization or other change in the Corporation's capital structure or its business, or to create or issue any bonds, debentures, shares or other securities of the Corporation or to amend or modify the rights and conditions attaching thereto or to effect the dissolution or liquidation of the Corporation, or any amalgamation, combination, merger or consolidation involving the Corporation or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar nature or otherwise.

5.4 Assignment

Rights and obligations under the Plan may be assigned by the Corporation to a successor in the business of the Corporation, any Corporation resulting from any amalgamation, reorganization, combination, merger or arrangement of the Corporation, or any Corporation acquiring all or substantially all of the assets or business of the Corporation.

5.5 Units Non-Transferable

Share Units are non-transferable except to a Permitted Assign. Certificates representing Share Units will not be issued by the Corporation.

5.6 Participation to be Determined by Board; No Additional Rights

The participation of any Participant in the Plan shall be determined by resolution of the Board. Nothing in this Plan shall be construed to provide the Participant with any rights whatsoever to participate or to continue participation in this Plan, or to compensation or damages in lieu of participation. The Corporation does not assume responsibility for the personal income tax liability or other tax consequences for the Participants and they are advised to consult with their own tax advisors.

5.7 No Shareholder Rights

Under no circumstances shall Share Units be considered Shares or other securities of the Corporation, nor shall they entitle any Participant to exercise voting rights or any other rights attaching to the ownership of Shares or other securities of the Corporation, nor shall any Participant be considered the owner of Shares by virtue of the award of Share Units. A Participant will acquire rights to Shares in respect of Share Units only upon the allotment and issuance to the Participant of certificates representing such Shares.

5.8 Fractions

No fractional Share will be issued pursuant to an award granted hereunder. The number of Shares issuable upon payment of any award granted under this Plan will be rounded down to the nearest whole number of Shares. No payment or other adjustment will be made with respect to the fractional Share so disregarded.

5.9 Unfunded and Unsecured Plan

Unless otherwise determined by the Board, the Plan shall be unfunded and the Corporation will not secure its obligations under the Plan. To the extent any Participant or his or her estate holds any rights by virtue of a grant of Share Units under the Plan, such rights (unless otherwise determined by the Board) shall be no greater than the rights of an unsecured creditor of the Corporation.

5.10 Market Fluctuations

No amount will be paid to, or in respect of, a Participant under the Plan to compensate for a downward fluctuation in the price of Shares, nor will any other form of benefit be conferred upon, or in respect of, a Participant for such purpose. The Corporation makes no representations or warranties to Participants with respect to the Plan or the Shares whatsoever. In seeking the benefits of participation in the Plan, a Participant agrees to accept all risks associated with a decline in the market price of Shares.

5.11 Participant Information

Each Participant shall provide the Corporation with all information (including personal information) required by the Corporation in order to administer to the Plan. Each Participant acknowledges that information required by the Corporation in order to administer the Plan may be disclosed to other third parties in connection with the administration of the Plan. Each Participant consents to such disclosure and authorizes the Corporation to make such disclosure on the Participant's behalf.

5.12 Indemnification

Every director of the Corporation will at all times be indemnified and saved harmless by the Corporation from and against all costs, charges and expenses whatsoever including any income tax liability arising from any such indemnification, that such director may sustain or incur by reason of any action, suit or proceeding, taken or threatened against the director, otherwise than by the Corporation, for or in respect of any act done or omitted by the director in respect of administering this Plan, such costs, charges and expenses to include any amount paid to settle such action, suit or proceeding or in satisfaction of any judgment rendered therein.

5.13 Effective Date of the Plan
